V'S STILL DOWN FAR FROM OUT

Lucky Puck Sent From Regina To Boost V's On To Victory

Shades of many years ago were brought back in a flood of memory to Coach Grant Warwick of the V's when he opened his mail after last night's momentous victory. Enclosed was the puck which scored the first goal against Sydney Millionaires in 1941 when Regina Rangers, of which Coach Grant was a playing member, won the Allan Cup. Inspiration for the puck and its accompanying letter, was supplied by Chick Little who refereed here in the western finals against Winnipeg Maroons. The letter from Allan Cherry, of Regina, reads in part: "Enclosed you will find the puck with which Alf Kunkel scored the first goal in the final game against the Sydney Millionaires in 1941. "I am sending it to you, trusting that you will show it to your team mates and tell them of that great series which the Regina Rangers won. May that victory, be an inspiration to you and I wish you every success. Appended to the bottom of the letter is a note from Chick Little: "Mr. Cherry, a personal friend of mine, told me about this puck, so I advised him to send it on to you. Lots of luck in the remainder of the series."

Fifth Game Allan Cup Finals Thriller As V's Comeback To Beat Sudbury In Overtime 6-5

Down at Sudbury's ice arena they have a wolf's head in the foyer. A loud speaker attachment enables the wolf to give forth with a realistic howl and during the current series between the Penticton V's and Sudbury Wolves the club's wolf has howled exactly 20 times to record for the Sudbury rooters that the Wolves, battling away in the far west for the blue riband of Canadian senior hockey, have scored. Last night the wolf howled five times, to the great rejoicing of Sudbury hockey fans — but after that fifth howl there was no more howling, just whimper upon whimper, as back here in Penticton the Penticton V's smashed through for three quick goals to tie the game and force overtime. All the Wolves needed to take the Allan Cup was a win last night, but it was the V's backs' flat against the wall, who went wolf hunting in that overtime period to come through with another dramatic finish — Jack McIntyre punching in the winning goal with 15 seconds to go. Score 6-5 with Sudbury still leading the series, but the margin narrowed to three games to two.

Three Goals Down 10 Minutes To Go

The V's three goals down and little better than ten minutes to play in the third period, the score 5-2 and the Wolves back checking and forechecking the precious seconds into history. Frank Sargent, Canadian Amateur Hockey Association representative, getting up from his seat in the gondola to be on hand at the rinkside for the presentation of the Allan Cup to the Sudbury Wolves.

Sudbury's radio announcer cutting in on the game to tell the

fans back home that everything was set for the Wolves to get back to Sudbury on Wednesday. Penticton fans with that empty feeling coming through with GO V's GO while, deep down, they figured it was a lost cause.

Such was the setting when George DeFelice, reputed to be the Wolves' hatchet man, acted like one. His reward, five minutes in the sin bin for fighting against the V's in this series but DeFelice gave them a big one at the right time.

Defelice Upset When V's Score

The Warwickmen didn't look a gift horse in the mouth, they sizzled. It took them better than a minute to corner the Wolves in their own zone and then the arena was split with sound as Dick Warwick nicked in brother Grant's drive, on a play sparked by the Old General, Bernie Bathgate, for the V's number three goal. The V's were back in the game.

That goal upset DeFelice. He had been thumbing his nose at the fans so the fans ribbed him

on that one. Next thing he was swinging his stick and a riot was in the making, but the RCMP arrived in force. George then proceeded to ask for more trouble by leaving the penalty box to skate leisurely across the ice for a glove — he got away with it — even to coach Max Silverman's surprise.

Wolves showed a fine team spirit. With DeFelice all alone in the cooler Pete Horeck cut down Grant Warwick and he made number two in the sin bin.

Wolves All Packed Ready To Go

The Wolves didn't give up easy, but with only three men out against five, and with the

V's goal hungry, it had to come. V's forced a facelift. Ironman Jack McDonald won the draw, slapped the puck to Doug Kilburn and hustling Doug smeared in goal number four. The crowd went crazy — and then at 16:45 Jim Fairburn punched in the tying goal on assists by Jack McIntyre and Dick Warwick, and the crowd was ready for mass committal to Essondale.

The Wolves, with the big CPA Convair airliner standing by at the airport to wing them out of the Okanagan that very night, with their bags packed and with a date for a big celebration in Sudbury, set for one o'clock Wednesday, made a tremendous effort to get back into the lead but it was the V's who were forcing the play at the end of regulation time.

The overtime was also watching for Penticton fans. The V's tightened up defensively, Gordie Ivin McLelland got back, that unbreakable look, front men forechecked and backchecked. The Wolves were mastered.

A tie doomed them to stay a little longer in the Okanagan but the V's weren't prepared to settle for a tie and the fact that the big clock said 9:30, thirty seconds to go, didn't stop them from digging.

The big goal could be seen shaping up. Wolves goalie Al Millar had a problem and not much time to think about it. Kev Conway slipped the puck to Grant Warwick who hung to Millar's left. Millar has learned in this series, that Grant Warwick (Continued on Page 8)

BLAZING HOCKEY ACTION, such as pictured above, continues to dazzle Penticton and Okanagan Valley hockey fans in the dizzy whirl of Allan Cup playoffs as the V's with their backs to wall — as usual — fight with an unmatchable will to win. In the above picture, Grant Warwick (centre background) watches the puck sock the twine behind Sudbury goalie Al Millar (see arrow) for V's only goal of the Friday game at Kelowna. V's lost 3-1 that night. In the foreground of the attacking trio is Dick Warwick and on his heels, Jim Fairburn. Dick and Jack McIntyre (not shown in picture) earned assists on the play. — Photo by Morrison

City Engineer Not Worried Yet

Heavy Rain Blessing, Starts Runoff Without Flood Danger

"We're in reasonably good shape," such is the comment of Paul Walker, city engineer, as Penticton eyes the weather and the old boggy, Penticton creek.

Lengthy rain, yesterday, got the citizens to a good deal more talking about the creek than anything else except hockey.

And if the rain had kept on, and not stopped in mid-afternoon, even hockey might have taken a back seat.

But the fact that the rain stopped, according to Mr. Walker, meant that any danger was averted.

"I'd say we'd have to have 48 hours of continuous rain before we'd need to feel any apprehension whatever," he told the Herald, "and even 72 hours before we'd start to get really worried."

After the first heavy rain, a reading on Penticton creek at noon, yesterday, showed that 280 cubic feet per second were going down the creek.

Carrying capacity of the creek, at its lower end, is estimated at 2,000 cfs, so there is a very big margin of safety.

That lower creek carrying capacity, however, does not tell the whole story.

There are several bottlenecks, and break-outs at such points could mean that the lower end carrying capacity, no matter what it was, was not complete protection against any flood.

The disastrous situation of a dozen years ago sprang from break-outs fairly high up in the creek's length, with run-aways fanning over the city.

Forebrook Drive bridge is one such bottleneck, it is added.

(Continued on Page 8)

Welfare Appeal Canvassers Staging Big Drive Tonight

This is "blitz" night in Penticton, Naramata and Kaledon, the night when hundreds of canvassers will be out in full force collecting donations on behalf of the Penticton and District United Welfare Appeal.

With an objective of \$15,000, those who have geared the drive for the eight charitable organizations are hopeful that most of that amount can be raised tonight. However, the campaign continues all this week and contributions can be left at the society's office in the Central Building.

The office is open from 3 to 5 o'clock in the afternoons and again from 7 to 9:30 at nights.

Canvassers are under direction of Mrs. A. M. Costley while overall campaign chairman is W. A. Loughheed. President of the executive administering the organization is Harold Gillmour.

Council Astonished

Funds For New Drive Exhausted

Council was astonished to learn, at Monday night's meeting, that the funds for the new Riverside Drive, to link Lakeshore with the highway, have been exhausted before the road was complete. The announcement that the \$5,000 allotted had not proved sufficient was made by City Engineer Paul G. Walker.

Mr. Walker said that the unusually heavy bog conditions encountered in building the link had necessitated a great deal more fill than had been anticipated, and that it would be impossible to complete the road within the limits of the cash set aside for it.

Alderman F. C. Christian said that there was, apparently, no allotment in the budget for this project, and that this would have to be adjusted before any steps could be taken.

City Treasurer H. W. Cooper said that the budget, as a whole had not been strictly finalized, but that council had been working on the permutations of the preliminary budget. "And if you pass amendments to this, you will be passing amendments to something that, strictly, does not exist; for with the passing of your measures covering it, the preliminary budget ceased to exist."

It was agreed that the whole matter will be gone into by the finance committee, the budget finally finalized, and then means found to complete the road. Council agreed that it would not be left in its present condition.

A panel of local doctors will present a forum discussion on poliomyelitis at Carmi Avenue P.T.A. meeting, tomorrow night. Meeting will take place in the activity room, Carmi Avenue school.

A full attendance will be appreciated and visitors are welcome to attend this interesting meeting.

WAGE DISPUTE WILL GO TO ARBITRATION

An arbitration board will be set up within the next 10 days to deal with differences involving increased wages and matters which might involve increased operating costs between fruit and vegetable workers' union, and Okanagan Federated Shippers.

It is understood that both parties agree that such a board should be independent. Each of the disputing parties will nominate one person for the board which person is in no way directly connected with the industry or the union. They will ask that the Labor Relations Board or the minister of labor appoint as chairman, a county court judge.

Representatives of the union and the industry met last Friday with conciliation officer, George Carmichael of Kelowna, and informed him of their decision in the dispute and reached virtual agreement as to the points of arbitration.

Provincial Drama Finals Slated Here June 10, 11 And 12

Provincial drama festival will be held in Penticton high school auditorium June 10, 11 and 12. Zone finals will take place at Kelowna May 15 and winner of that event will represent this area in the finals. About 9 or 10 entries are expected at the three-day June event.

In Penticton, a citizens' committee has been set up to formulate the event as a community enterprise.

A caption error in the sports section of this issue reports the annual meeting of the Skaha Lake Tennis and Country Club as May 9. It should have read May 10.

Only 400 Seats But Standing Room For Go-V's-Go

Although only 400 seats have been reserved for Penticton hockey fans at the sixth game of the Allan Cup finals, to be played in Kelowna Thursday night, it was announced today that a substantial number of standing room tickets will be available.

The hockey executive appeals to V's Boosters to go to Kelowna even if it means standing, to support the V's in this crucial test.

Woman Collapses At Hockey Game, Dies

Excitement of last night's hockey game is believed responsible for the collapse at the arena of Mrs. J. F. Grantham who died later at Penticton hospital.

Mrs. Grantham was treated at the arena and taken to hospital by ambulance, her death following there overnight.

APPLICATION RECEIVED

Application has been received from N. Schaber for permit to build an auto court next to the Sun Valley court, south of Penticton. This will be referred to the town planning commission.

RESPONDING TO APPLAUSE of people at Wenatchee April 24 is Penticton Peach Festival Queen-elect, Miss Ardell Getz, where she took part in that city's Apple Blossom Festival. She was one of three queens and 40 princesses who took part in the two-day event, and is shown riding in the City of Penticton float during the mammoth, three-hour-long parade. Miss Getz was delightedly surprised to hear residents of the Washington city intermingled acclaim for her with shouts of "Go V's-Go." She was accompanied on the trip by Mrs. N. G. Kincaid, chaperone, and Bill Fletcher, who drove them to Wenatchee.

It's No Miracle - It's Just The V's

It's been quite a story, and it reached its climax last night, no matter now whatever happens to that much-discussed Allan Cup.

Here we had a group of hockey players that went through to win a league which (most of us tend to forget this) was a tough one. Then there were the hurdles of that same league's playoffs and the long-extended series with Nelson and Winnipeg. The V's ranks weren't too well-padded to begin with, because of necessary budget limitations hinged to the community's purse, and thus it just seemed to be a corporal's guard that was left after all this grinding down to face the well-heeled Sudbury Wolves in the final. Energetic sharpness disappears from the best of athletes after such a prolonged overworking, and thus the stiff set-back on the ice here last Saturday night, which

left many a local rinkside ready to acknowledge the end of the long trail.

Down three goals in the last period of what threatened to be the last game of the season here last night, even the most ardent and optimistic of local supporters were ready to concede Sudbury its civic holiday set for today. But the plane all ready to plunge from the local airport last night didn't take off. The Sudbury players are still with us. And so, it seems, is that spirit of the V's which, before overtime ran out last night earned them four unanswered goals to turn apparently certain extinction into a victory. Grant Warwick's boys wrote something into the pages of the little city's history last night that will take a lot of time to wear out, regardless of what the future may hold.

It wasn't any miracle. It was just those V's again.

Uniform Road Signs

Let's have uniform road signs, urges The Financial Post. The present situation is confusing and dangerous. With inter-provincial traffic increasing rapidly it is going to get more so, and not just for trucks but for all sorts of vehicles and their passengers.

In several provinces and many states, widely different signs are used for marking curves, hills, railway crossings, schools crossroads, and other danger

points. Regulations as to the placing of traffic lights and signalling vary. Driving would be very much safer if all warnings were identical along roads everywhere on the continent.

Surely in this noncontroversial business, provinces and states can get together and agree and put into operation a uniform system for North America, at least.

It's About Time

Well, here we go again. And are we on time or aren't we?

It's this business of daylight saving. The clocks are mixed up. Parts of the country are on daylight time, parts are on standard.

Travellers won't know when or if they are going to eat until they consult a local spokesman, who doesn't always seem to know what's what either.

Two provinces, Alberta and Prince Edward Island, have banned the so-called summer time completely. Elsewhere cities and towns are on their own. And what a mix-up.

Get A Load Of This

Evidence of "featherbedding" in the British Civil Service, once regarded as the finest in the world, comes from a report carried in "The Times" of London. The report presents verbatim records of proceedings of the Select Committee on Accommodation of the British House of Commons, a pertinent excerpt from which reads as follows:

Chairman: It seems very strange to me that one department should be responsible for cleaning a wall up to a certain height and another above it.

Mr. Henry Price: That is the Civil Service rule. It applies to Civil Service offices too. The cleaners clean only up to shoulder height.

Making History

A large part of this continent for some time now has been treated to a television, press, and newspaper circus involving Senator McCarthy, his various probets, and as great a convulsion about nothing at all as has ever rustled the pages of the U.S. chronicle.

Meanwhile the ordeal of Dien-Bien Phu has told a different story. Had there been quick and bold action when the French first asked for aid, had there been another Teddy Roosevelt left alive, there would perhaps be a different atmosphere in the world at the moment.

Social Justice

The Labor government of Argentina, headed by Senator Juan Peron, promised that by 1952, it would produce a "people's car," within the reach of every worker. This car is at last ready for market, under the name - Justicialista (Social Justice). It will cost about

\$5,000, which is more than twice as much as Senator Peron originally promised and represents six and a half years' total income for an Argentine industrial worker. In Canada, a car represents about eight months' income for the average industrial worker; in U.S., about six months.

ist economics calls to mind Finance Minister Abbott's statement in a recent budget speech where he said: "The outside world is under no obligation to maintain the Canadian standard of living." By the same token, the world outside Saskatchewan has shown in no uncertain manner that it is under no obligation to provide a market for the products of high-cost socialized industry.

Letters To The Editor

Letters to the editor must carry the name and address of the sender. Pen names will be accepted for publication but preference will be given to letters published over the writer's own name.

The Editor,
Penticton Herald,

As usual, at this time of the year when the fruit shippers and packinghouse workers are negotiating a new contract for the coming season, the newspapers are being flooded with calamity howling from both the growers and the shippers, giving figures and a picture of the "disastrous situation" which the growers are facing. All of which is for public consumption. Most of the figures supplied make it appear as if the Okanagan Valley's main industry was on the verge of bankruptcy and most of the blame for this situation is aimed at the wages paid in the fruit industry which, incidentally, are about the lowest paid in industries in B.C.

It has never been the habit of the members of the Fruit and Vegetable Workers' Union to be publicly about the comparatively low wages being paid and they have always given the utmost consideration to poor markets, conditions, low prices, frost damages, etc. In their negotiations, they are vitally interested in the welfare of the industry in particular and the Okanagan Valley in general, but we would like to diagnose some of the figures supplied and clarify other articles in the newspapers.

In a recent press release, F. L. Fitzpatrick pointed out the disastrous returns to the growers on potatoes, onions and tomatoes. What he did not say was that potatoes and onions are packed by the growers themselves and wages in the packinghouses have no bearing on the return for such products. Semi-ripe tomatoes are packed and shipped by the workers but most of the tomato crop is handled by the canneries and so therefore have little effect on this product. Likewise, Mr. Fitzpatrick failed to make mention of the return for cherries or other produce that brought handsome returns to the growers.

R. Stephens stated, "that certain savings in packinghouse materials had just about offset the increase of five cents per hour granted to some employees last year. In other words, other industries had to a degree at least, subsidized the increase in packinghouse wages." Unquote. Wages paid in all other industries supplying these materials are and always have been much higher than those handling fruit. Other industries demand a certain price and that is what is paid, but always they try to save on the only ones they believe they can dominate. "Their own employees" and then, Mr. Stephens suggests, that the lowest paid are subsidizing the highest.

In a recent issue of "The Vancouver Sun", Mr. Avery, B.C. Fruit Growers' Association president, said that the average net income of fruit growers from their orchard was \$1391. The figure was reached by taking a net return of \$191 per acre for orchards averaging 7.25 acres. He stated that orchards on full production and of high quality fruit are not doing badly.

It is our contention that seven and one quarter acres do not qualify a man as a full time orchardist but it is something to augment his regular earnings in some other employment or else he is semi-retired. Say the value of an orchard is \$1000 then a net return on his investment of \$1391 would be 19 percent of his home rent and taxes free. For an excess of any usual investment of 7000 odd dollars. To verify our contention just try and buy an orchard and hear first hand just what a wonderful investment it is.

Much groaning and moaning is done on behalf of the growers about high wages and their inability to pay similar current ones, but they must realize that fruit is a semi-luxury product and the large majority of the consuming public are wage earners.

If wages were low throughout Canada the wage earners could only buy necessities and it would be virtually impossible to market the fruit. Labor unions are really benefitting the fruit industry more than any other organization or legislation by retaining the high standard of living enjoyed by most Canadians, so it is really inconstant that those who benefit most should be the ones who seek hardship and low wages for their benefactors.

Labor is not satisfied that it is or has been getting a fair share for its labor in the fruit industry. Average raises received over a five-year period shows that male employees have had 23 cents raise or 4 3/5 cents per year, 5 cents of which has been granted within the last three years. Female employees have had, over a five-year period, raises totalling 14 cents or 2 2/5 cents per year, 5 cents of which has been granted within the last three years. Employees are now being asked to continue for another year with no adjustment to wages.

Failing some reasonable settlement of all problems, consideration is also being given to requesting the Minister of Labor to set up an Industrial Inquiry Commission in order to have clarification on many points now being argued without too much success by either management or labor.

Yours Truly,

Bryan Cooney,

Director of Organization, Federation of Fruit and Vegetable Workers' Unions (FVU)

The Editor,
Penticton Herald,

May I, on behalf of the Blood Donor Committee of the Penticton Branch, Canadian Red Cross Society, thank those generous blood donors who attended our clinic last week. It was indeed gratifying to see so many new faces as well as our usual faithful donors, who never fail us unless illness prevents. The total pints collected will go a long way to relieve the distress of perhaps a member of your own family or some person unknown to us. Any donor may well have a feeling of great satisfaction that he or she has done his part in alleviating the suffering of a fellow human being.

Again, thanking you on behalf of the committee, I am,
(Mrs.) Q. M. Bowsfield,
Chairman Blood Donor Panels, Penticton Branch, Canadian Red Cross Society.

The Editor,
Penticton Herald,

WHERE DOES IT GO?

Would it be possible to have someone write an article on what happens to those pints of blood which were donated to the Red Cross last week? So many people who donated for the first time last week have been wondering just exactly where the blood goes, what is derived from the whole blood and generally what is done with it.

Another question asked so many times is just what does "blood type" mean. That is, if you are a RH positive O Group to whom can you give blood in case of emergency and what type of blood can you receive in case of emergency. I believe if all these things were told more people would be more conscientious about donating. Also could you tell us under what circumstances is blood refused?

It seems so impersonal somehow just to know that you have put blood in a bottle and that's all you say about it and that is all you know about it. Please, couldn't you be enlightened on the subject?

(Miss) Yvonne Cousins,
Box 2904, R.R. 1.

LEGALS

TENDERS FOR COAL
WESTERN PROVINCES
SEALED TENDERS addressed to the undersigned and endorsed as above, will be received until 3:00 p.m. (E.D.S.T.), WEDNESDAY, MAY 26, 1954, for the supply of coal for the Federal Buildings and Experimental Farm and Stations, throughout the Provinces of Manitoba, Saskatchewan, Alberta and British Columbia.

Forms of tender with specifications can be obtained from the Chief of Purchasing and Stores, Department of Public Works, Ottawa, the District Architect, 705 Time Building, 333 Portage Avenue, Winnipeg, Man., the District Architect, 321 Federal Building, Saskatoon, Sask., the District Architect, 725 Public Building, Calgary, Alta., and the District Architect, 1110 West Georgia Street, Begg Building, Vancouver, B.C.

Tenders will not be considered unless made on or according to the printed form supplied by the Department and in accordance with conditions set forth therein. The Department reserves the right to demand from any successful tenderer, before awarding the order, a security deposit in the form of a certified cheque drawn on a bank incorporated under the Bank Act or the Quebec Savings Bank Act payable to the order of the Honourable the Minister of Public Works equal to ten per cent of the amount of the tender, in accordance with the Government Contracts Regulations now in force, or Bearer Bonds, with unmaturing coupons attached, of the Government of Canada or of the Canadian National Railway Company and its constituent companies, unconditionally guaranteed as to principal and interest by the Government of Canada.

The lowest or any tender not necessarily accepted.

Keremeos Notes

KEREMEOS — Rev. L. L. Schuetz officiated at the funeral of Patricia Hilda, two-and-one-half months old daughter of Mr. and Mrs. Frank Overton of Similkameen on Friday afternoon, from Keremeos United Church. Interment was in Keremeos Cemetery. Mrs. Cripps and Mrs. H. Overton, grandmothers of the father and mother respectively were accompanied by the young parents of the baby, upon their return to their homes in Williams Lake, following the funeral.

Mr. and Mrs. F. E. Garrett have received word that their son-in-law, staff-sergeant Grady Wemberley, until recently stationed in Florida has been transferred to Puerto Rico. Mrs. Wemberley and their children will follow him as soon as accommodation can be procured.

The monthly meeting of the Women's Association to the United Church was held at the home of Mrs. F. Sarge with an excellent attendance. The annual "Apron Shower" for the Christmas sale of work produced excellent results. Mrs. Beck was chosen as delegate to the Presbytery in Summerland this week.

Mrs. L. M. Thoms, Mrs. T. W. Kitchen and her little son, Michael, all of Port Alberni, B.C. are guests of Mrs. Kitchen's parents, Mr. and Mrs. J. H. East.

Arrangements were made for the annual party at the home of Mr. and Mrs. H. C. McGuffie, to be held this year on June 30 at the monthly meeting of the members of St. John's Anglican Guild last week. Mrs. E. A. Clarke undertook to act as secretary-treasurer in the absence of Miss J. Dugdale currently visiting in Europe. Hostesses for the meeting were Mrs. E. C. Armstrong and Mrs. L. Brun.

Mrs. Sladen, of Summerland, was the guest last week of her son and daughter-in-law, Mr. and Mrs. A. Sladen.

Saturday was a busy day here with various organizations reporting generous support to their varied activities. The annual

"Cookie Week" tea sponsored by the local association to Girl Guides and Brownies was an unqualified success; the annual "Mile of Dimes" undertaken by the Ladies' Auxiliary to the local Legion received the support of many citizens and the Katie Clarke Auxiliary to the United Church disposed of their flowers for sale for "Mother's Day" in record time.

At an executive meeting called by the president to discuss action to be taken in regard to the organization of civil defence, welfare services as authorized at the monthly general meeting of the Ladies' Auxiliary to Branch 192, Canadian Legion, it was decided to invite representatives of various organizations and others interested to attend a meeting in the W.I. room on Thursday evening at 7:30 p.m. to further discuss this all-important matter, particularly in view of a possible emergency situation which may arise in regard to flood conditions by the Similkameen River. It is hoped that the meeting will be well-attended.

Members of Lodge No. 80 O.O.R.P. will again sponsor the annual drive for funds in aid of the Canadian Arthritis and Rheumatism Society, but have decided to postpone the campaign until early autumn.

Ten members of Lodge No. 80 O.O.R.P. attended the birthday party of the Oliver Lodge last week and all report a most enjoyable evening.

Mr. and Mrs. Oscar Johnson and David Heron of New Westminster were visitors last week at the home of Mr. and Mrs. Liddicoat.

Margaret Borsato, daughter of Mr. and Mrs. T. Borsato, fractured her arm in an accident here early this week.

Mrs. A. Beck entertained a party of little people on Monday in honor of her son, Donnie's seventh birthday.

Mrs. J. B. MacClarke and Rev. L. L. Schuetz, pastor of Keremeos United Church, are attending the annual conference of the United Churches of Canada currently in convention in Victoria.

Council Backs

(Continued from Page One)

so doing, you have sought for our motive in obtaining the old building, and while you were too polite to ask, you nevertheless desired to know what is back of this whole thing.

Hitherto, in order that sentiment might not interfere with business, we have been hesitant to speak of this. Now, with the matter before the public we feel that you, and the public, should know more of this.

SERVICE FOR HUMANITY
"The fact is that we of the executive want to engage in a work of service for humanity, and to devote our entire effort to this end. We hope to make the Newhope Benevolent Society's operation of the old Penticton hospital out of the end, but the beginning of a chain of effort that may include many other similar movements, all designed to help our fellow men.

ANSWERS QUESTIONS
"Let us answer to you, and to all who may enquire, once and for all, the question 'Well, what do we get out of it?' Our answer: satisfaction in a work well done. As with any similar work the workers should be entitled to their means of livelihood; but beyond this, nothing; no 'profit', or gain or anything of that kind whatsoever.

"We have felt that, before asking you to go before the electorate of this city and endorse us, as well as the sale of the building, the two being so closely linked, that you should 'know the score'.

SOURCE OF PRIDE
"I might add that some years ago I attempted to obtain quarters for an orphanage, feeling that there is need for service in this field, too, but was unable to finalize the arrangements. Now I have colleagues who are in full accord with what I had then attempted to do by Penticton and with this active, hard-working group supporting the plan, I am certain that Penticton will have a senior citizen's home that not only will meet with your approval, but which will be a source of pride and satisfaction to the entire population of Penticton and British Columbia.

"It will, with your cooperation and the aid of all in Penticton, be our objective to make it so."

The letter was signed by Clifford Moore, head of the group, Almond Christian, moved that the council should draft a suitable reply, one that should be fully published. "I have much pleasure in seconding that," added Alderman E. A. Titchmarsh.

Summer calls for quite a number of do's and don'ts. Do keep insect repellents handy to ward off bites; do use care in handling fish hooks. Don't acquire a sunburn instead of a suntan; don't dive into unfamiliar waters and don't swim when overtired.

FIRST TO TAKE ADVANTAGE of the new type banking service introduced into Penticton by the Bank of Nova Scotia was Ronald J. Day. Mr. Day, shown above on the right, opened a personal security program account with bank manager A. G. Schell, on Monday. This new type of account provides life insurance protection for the period of saving.

Incentive To Save Plus Insurance Protection Inaugurated At Bank Of Nova Scotia With PSP Program

A new type of banking service to provide incentive for saving, with life insurance protection, was introduced in Canada for the first time today. It was inaugurated by branches of The Bank of Nova Scotia, across the country who made available "personal security program" accounts.

From today on psp accounts will be a standard service of this bank in Penticton, and may be opened like ordinary savings or current accounts. Under the personal security program the depositor receives his savings goal in 50 monthly instalments. During this period his savings goal is protected by "life insurance" at no cost to himself.

"PSP accounts are based on a simple principle — it is easier to save on the instalment plan and when there is a definite amount in mind," explains A. G. Schell, Penticton manager of the Bank of Nova Scotia.

"Personal security program accounts are designed to provide this service. There is the added advantage of having the savings target insured."

Anyone between the ages of six and 46 years can open a psp account. He decides what the savings goal will be, then contracts to make 50 monthly deposits to meet this goal. In turn, the bank provides the depositor, immediately, with an insurance policy. In the event of death before the goal is reached, the depositor's estate receives the whole amount of the goal, plus interest, to that time.

Five different savings goals are provided under The Bank of Nova Scotia personal security program. These are: \$1,000 by \$20 monthly payments; \$750 by \$15 monthly payments; \$500 by \$10 monthly payments; \$250 by \$5 monthly payments; \$100 by \$2 monthly payments. Once the psp account is opened, payments are made in the same way a deposit would be made in another type account.

"PSP accounts do not provide checking facilities. If for any reason, however, the psp depositor cannot complete the 50-months program or decides to abandon it, he receives all the money that he has paid in, plus interest; less interest, less a charge to cover the bank's services. PSP accounts can be terminated and the money withdrawn by merely notifying the bank.

Men, women and children, married or single, are all eligible to participate in this program, providing only that they are within the age bracket and are in good health. No medical examination is necessary. The depositor need only give assurance of good health. No medical examination is necessary. The depositor need only give assurance of good health. As soon as a psp account application has been filled out and the first payment made, the depositor is covered by "life insurance" up to the unpaid balance of his goal.

Miller Home At Cawston Razed By Fire, Household Goods Saved

CAWSTON—The residence of Mr. and Mrs. Harvey Miller, Jr., was completely destroyed by fire which started about 11 o'clock Sunday evening after the family had retired. All of the family are safe.

Despite the strenuous efforts of neighbors who raced to the scene defective wiring cut off the power and the sprinkler system could not be used. The West Kootenay Power and Light crew arrived and installed a new transformer in an effort to get the water pumps going.

In the meantime Jack Sanderson brought his orchard sprayer into action and the many helpers were able to save the garage and nearby supply house. All the furniture with a few exceptions was removed in time and all necessary blankets and clothing. The family which consists of Mr. and Mrs. Miller and five children were cared for by neighbors.

The house, which was one of the most modern in the valley, was completed only recently and cost well over \$10,000. Of this \$8,000 was covered by insurance and Mr. Miller intends to rebuild his home as soon as possible.

GARDEN SPRINKLING

Alderman E. A. Titchmarsh asked City Engineer Paul G. Walker, on Monday night, the reason for turning on city domestic water pumps "so early in the season." Mr. Walker said that the long dry spell had brought a rash of garden sprinkling, and that the pressure had, on one occasion, dropped 35 pounds in a 15 minute interval. The pumps were used to restore normal pressure.

Instead of being the safe haven for all members of the family, home can be the site of many accidents. It pays to make periodic surveys to locate and remove danger spots.

Mrs. Frank Marchant, of Victoria, is a guest for the current week in this city with her parents, Mr. and Mrs. R. H. Cooper.

Mrs. B. I. Southall arrived from England yesterday to visit for the summer months in this city with her brother and sister-in-law, Alderman and Mrs. E. A. Titchmarsh.

Mrs. E. W. A. Cooper left on Monday for Chilliwack where she will attend the conventions of the Baptist Church of B.C. and

of the Baptist Women's Missionary Society.

Miss Jo Pasnak and Miss Marie Pellicano, UBC students, arrived in Penticton last week to spend the summer holiday at the homes of their respective parents.

Among the several members of Edina Chapter, Order of the Eastern Star, travelling to Chelan last week to attend the luncheon meeting of the International Past Patrons and Patrons' Club held in Chelan on Friday were Mrs. J. L. Hooper, grand Esther of B.C., Mrs. H. H. Whitaker, past worthy grand matron of the grand chapter; Mrs. J. S. Dicken, worthy matron, and J. S. Dicken, worthy patron, of the Penticton OES. Mrs. James Crawford, Mrs. W. T. Muttlock and Mrs. James McDermid.

Enroute to their respective homes after attending a convention of the American Institute of Chemical Engineers held in Seattle on April 29 to May 1, Roy Chalk, of Victoria, Dave Guthrie, of Trail, and Don Matheson, of Deep Cove, were the house guests last week of Mr. and Mrs. J. Connell Cooper. Later in the month the young men will join their graduating class at the University of British Columbia to receive their degree in chemical engineering.

Pat Mulligan has returned to Penticton after spending the past three weeks receiving treatments at the Polymyositis Rehabilitation Centre, in Vancouver.

Spending the current week in this city visiting Bob Morrison, of the Penticton Herald editorial staff, are his parents, Mr. and Mrs. Kenneth Morrison, of Melcourt, Saskatchewan, and Mr. and Mrs. C. J. Wild, of Moosomin, Saskatchewan. The visitors are on a motor trip touring through the northwest States into British Columbia and on to the coast.

Mrs. W. A. Rathbun returned to Penticton yesterday after spending a combined business and holiday visit in Calgary.

The next meeting of the Penticton Kiwanis Club will be held on May 31 at the home of Mrs. J. T. Young, Manor Park.

By CARL HARRIS

With the increasing number of new recording companies as of late, I thought it might be a good idea to mention a couple this week. One company that deserves special note is an all Canadian group that produces under the name of HALLMARK. These are very high quality long plays and are packaged in a smart sleeve with interesting notes on the back. The policy of this new company is to produce outstanding recordings featuring Canadian artists and that's just what they have done. Lois Marshall is one of the featured artists in a recording of "Seven Popular Spanish Folk Songs" with Weldon Kilburn at the piano. Miss Marshall's outstanding success as her Naumber Award debut in New York's Town Hall in 1952, was due in large measure to her brilliant performance of these Spanish Folk Songs. Other artists featured on HALLMARK records are John Newmark, pianist; Greta Kraus, harpsichordist; and Albert Prutz, violinist; just to mention a few.

Another of the up-and-coming companies is the well known ANGEL recordings which we are now stocking. These records are still quite hard to get, but if you're interested in their listing, just ask the next time you are browsing in the store.

That reminds me, I'd better let you know that we not only handle records but all your musical needs, whether it's a banjo pick, a brass violin bow, sheet music, piano flano, or for that matter, pianos. Be sure and look us up.

DAVID NIVEN is shown here, with newcomer Maggie McNamara, in a scene from one of Broadway's biggest and most delightful hits, "The Moon Is Blue" which is showing tonight, Thursday, Friday and Saturday at the Pines Drive-In Theatre.

Help Available To Find That First Job

The problem of the first job is engaging the attention of many young people, at present. Their parents are also vitally concerned in finding the correct answer.

A decade ago both parents and young people attempted to solve this problem without any expert assistance. There was none to be had.

This situation has now changed very definitely. At this time of the year, preparations are made by the National Employment Service of the Unemployment Insurance Commission to help a large number of young Canadians who graduate or leave school to find suitable employment. The NES in counselling those who enter the labor market for the first time, assists them in finding employment according to their abilities.

In order to satisfactorily perform this work, the National Employment Service has a number of well qualified counsellors who visit schools from September to June, deliver informative talks to students and thoroughly discuss with them labor market conditions; and also inform them as to how to approach employers. In May and June, these students are registered with the National Employment Service for employment.

As soon as the students leave school, they are interviewed by counsellors at which time a complete inventory of the educational qualifications, preferences, hobbies, aptitudes, work experience, etc., of each candidate is made and carefully studied by the counsellors. Of great help in completing the counselling process are reports containing valuable information submitted by schools. As a rule, more than one interview is required before the candidate is referred to employment.

A battery of tests applied by qualified technicians is available to the counsellor and can be used when it is felt that they may be helpful in clarifying certain aspects of the counselling process. Once this is completed, the NES counsellor is in a position to refer the best qualified and most suitable candidates to employers.

Employers seeking suitable material, as well as youth entering the labor market, are both assisted by this service. It is a considerable improvement over the haphazard methods of years gone by.

Two days of business provided an interesting and informative program of VMS activities for the recent number in attendance at the session held in the Summerland United Church.

The guest speaker, Miss Mildred Mossop, home missionary from the Chinese Church in Vancouver, gave several addresses pertaining to her work in the coast city.

A pleasing musical program was given during the conference, by the Summerland Junior Choir, Mrs. W. Crosby, Mrs. F. Fudge and Mrs. A. C. Fleming.

A highlight at the meeting was the visit to Naramata by 70 delegates to attend the graduation ceremonies at the Christian Leadership Training School on the first afternoon of the Presbyterian.

Concluding the session was the turkey dinner served by members of the Summerland United Church on Thursday evening.

Mr. and Mrs. S. E. Gullo and children have returned to Penticton from a holiday visit in Portland, Oregon.

Mr. and Mrs. W. C. Johnson are currently holidaying in Seattle and other coast towns.

Women's Ass'n To Serve May 24th Tea At Naramata

NARAMATA — At the monthly meeting of the Women's Association of the Naramata United Church held last Tuesday at the home of Mrs. Ernest Sammet, plans were finalized for the serving of afternoon tea at the Victoria Day celebrations to be held at Manitou Park.

The May 24 festivities are held annually under the sponsorship of the Naramata Board of Trade and feature the children of the elementary school in colorful dances, songs and May Queen coronation ceremonies. It has been the practice in the past for the United Church group to assist at the festivities by the serving of light refreshments during the afternoon and once again the members are following this established plan.

Other discussions at the meeting conducted by president, Mrs. J. B. Reilly, centered around tentative arrangements for the annual bazaar to be held early in December. The Women's Federation of the church has been invited to participate this year in the annual pre-Christmas fund-raising event. The organization will sponsor the sale of candy, miscellaneous articles and other items not generally featured at the bazaar.

Mrs. A. C. Pound displayed a framed motto at the meeting which had been presented to the Naramata United Church by Mrs. Percy Hancock in memory of her late mother, Mrs. L. Kavanagh, of Penticton.

When the Kamloops-Okanagan Presbytery is held at West Summerland on May 18, several Naramata residents are planning to present. Others desiring to attend and wishing transportation may contact Mrs. Reilly who will endeavor to provide accommodations in one of the several cars travelling to the meeting.

Following the adjournment of the meeting refreshments were served by Mrs. Sammet with the assistance of Mrs. J. A. Gurnes. The next session of the Women's Association will be held on June 1 at the home of Mrs. Edna Hughes.

Summerland Church WA Holds Industrial Tea

SUMMERLAND — Members of the Lakeside United Church WA ventured into a new type of sale and tea on Saturday afternoon in St. Andrew's hall when they sponsored an Industrial Tea.

They had obtained wares from various wholesale houses and at the local level there was a splendid showing from McLachlan's Greenhouses, which sold quickly, as did the products from the Fruit Processing Lab at the Experimental Station along with pies made and set up by Miss Dorothy Britton, home economist.

The local canneries gave some of their merchandise, too, and all the stalls created considerable interest and some surprise.

Home cooking and needlework were on sale, and a delicious tea was served.

In recognition of Mother's Day the oldest and youngest mother present received a gift.

Summerland One-Act Play For Festival

SUMMERLAND — Summerland Singers and Players' club will enter George Bernard Shaw's one-act play, "The Dark Lady of the Sonnets," in the South Okanagan zone drama festival to be held at Kelowna, May 14-15.

The play is being produced by Joan Towgood and Beatrice Macleod, with Flora Bergstrom playing the part of Elizabeth; and Sylvia Perry, that of Mary. Frank Plunkett is the beef-eater and Alan Butler is cast as Will Shakespeare.

Colonel and Mrs. M. H. Wright returned to Penticton last Wednesday after holidaying for the past two weeks in Edmonton.

West End Of Westminster Avenue Rezoned For Business And Light Industrial Plants

Annual Drive And Tea Planned For Old Age Pensioners' Club Here

At the monthly meeting of the Old Age Pensioners' Club held on Monday in the Legion Hall an invitation was read from the Penticton Business and Professional Women's Club inviting the members of the senior group to join the annual motor trip and tea planned for their entertainment on May 30. Club members who were not at the meeting and wish to participate in the forthcoming enjoyable annual party are advised to phone immediately to Mrs. E. W. Unwin, at 2735, or Mr. Oke at 4580.

The next showing of films will be in the United Church Hall on Monday, May 17, at 2:30 p.m. the members were told, and also of particular note was the announcement pertaining to the June meeting of the Old Age Pensioners' Club. The regular meeting will be held next month on the second Tuesday, June 8, and not as previously scheduled for the first week. The change in date was made owing to the convention being held in the Legion Hall, the meeting centre for the club.

Mayor C. Oscar Matson was at the meeting by request to speak on the progress of the home for senior citizens and Dr. Gordon Garrioch, also by request, was present to explain the new law in regard to medicine for the Old Age Pensioners.

When refreshments were served the decorated birthday cake was cut in honor of past month anniversary celebrants, Mrs. N. M. Britton, T. J. Johnston, Mrs. May Tebbutt and Mrs. J. J. Stewart.

Guiders And Patrol Leaders Gather Here For All-Day Course

Twenty Guiders and thirteen patrol leaders from the South Okanagan division of Girl Guides and Brownies were in this city on Saturday to attend the all-day instruction session conducted by Blue Diploma Trainer, Miss Beth Jensen, of Vancouver, assisted by Mrs. Bruce Blagborne, of Summerland.

Following an outdoor training period during the morning hours the group attended a luncheon in the Anglican Church parish hall prepared by the 1st and 2nd Guide Companies of Penticton, under the convener'ship of Mrs. Vince Duggan.

Among the many attending the full-day instruction course were Guiders and patrol leaders from Penticton, Summerland, Naramata, Cawston, Kaleden, Altonby, Copper Mountain and Princeton. Division commissioner, Mrs. E. A. Titchmarsh, and district commissioner, Mrs. Innes Brown, were also among those at the meeting.

The next training session for new Guiders will be held on Wednesday evening, May 19, at the home of the district commissioner, Mrs. Browne, Edna avenue, at 8 p.m.

Year-End Party For City's Ladies' Choir

Miss Bonnie Datoe was hostess on Monday of last week to members of the Penticton Ladies' Choir, the occasion being the group's year-end party.

Following a short practice for the festival concert held last week a brief summary of the past season's activities was presented by the choir conductor, Mrs. Monica Craig Fisher. In her talk she stressed the need to encourage and welcome younger members in order to build a choral group for the future.

Gift presentations were made to both Mrs. Fisher and Mrs. Elsie MacCleave for the great assistance given by them in the choir's recent concert and production, "Robert of Sicily."

At the conclusion of the evening's program luncheon was served by the hostess with the assistance of Mrs. R. H. Estabrooks and Mrs. Alfred Costley.

RCMP REPORT

Monthly RCMP report, placed before council on Monday night, showed 56 convictions under municipal bylaws, and \$120 in fines for these offences. A total of \$515 in fines poured into city coffers during the month.

Stratford Summer Camp

For children 4-10 years
Located at ROBERTS CREEK on the Sunny Beach Peninsula 22 miles up-coast from Vancouver.
Well supervised — designed to give the very young child a happy summer holiday.
Writer: Helen E. Galliford
Stratford Camp
R. E. I. GIBSON'S, B.C.

As had been anticipated by Penticton City Council, the entire western end of Westminster avenue is to be rezoned from its former residential status. However, the area will not be one "blanket" category but will be partially light-industrial, and partially commercial.

In addition to the Westminster avenue changes, there will be parallel rulings covering the western end of Eckhardt avenue, which is deemed by the town planning experts, Walker and Graham, to be similarly conditioned to Westminster.

Both these rulings have been summarily adopted by council, and will go into effect at once, rather than await changes in the zoning bylaw, which will likely come about following the release of the new master plan of zoning for the city later this year.

Text of the town planning commission's recommendation, as adopted by council, reads as follows: North of the new Westminster avenue, Lot 123A; the new boulevard drive (Riverside Drive); and the line south of Dunes avenue; and also the portion of Lot 243 bounded by Comox street, Eckhardt avenue, and the new alignment of Westminster avenue, be rezoned to "light industry"; that Lot 123A at the northwest corner of Power street, and Westminster avenue be rezoned "three-story commercial"; and that it be recommended to council that 35 foot set-backs be required on Eckhardt avenue, and the new alignment of Westminster avenue, and the boulevard drive.

(2) "That it be recommended to council that all applications for drive-in theatres be referred to the town planning commission for report on a separate basis."

In a previously issued ruling, following the meetings with J. Walker, of Walker and Graham on Thursday, the town planners also recommended that the issuance of "special permits" be discouraged.

In their discussion of these recommendations City Council remarked that the 35 foot set-back "seemed somewhat deep" but did not change it.

Council also discussed the question of "special permits," and while agreeing that with the changes that had now been made there would not be any need for these for the present, they retained the right to act so in extremely special instances.

Council agreed to ask all those who had previously applied for permits for either commercial or industrial structures in the area affected by the new ruling, to re-apply, furnishing sketch-plans of proposed structures, these to show the required 35-foot set-back.

The matter of the drive-in theatre will be referred back to the town planners, in the light of the adoption, by council, of the change in zoning.

Appreciates Paint Job

The following is a letter received Tuesday from Mrs. D. E. Thompson, who was chosen by the Junior Chamber of Commerce for the free home painting job to launch their annual clean-up, paintup, plant up campaign: The Editor, Penticton Herald.

Through the medium of your paper I would like to express my sincere appreciation to the members of the Junior Chamber of Commerce, who were so kind as to choose my house for their project of "Paint Up, Clean Up week! Again may I say many thanks.

On Tuesday, April 27, at 7 p.m. in St. Anselm's Anglican Church, Vancouver, Sheila Maurer, daughter of Mr. and Mrs. D. P. O'Connell, of Penticton, became the bride of John Albert Nodwell, only son of Mr. and Mrs. W. E. Nodwell, of Georgetown, Ontario. Rev. D. P. Watney was the officiating clergyman.

For the ceremony the bride chose a pale blue frock with white accessories accented by an orchid and lily of the valley corsage. Bridesmaid, Miss Jean Friesen, chose a softly shaded yellow ensemble and a tulle and rose corsage for her attire.

Fred J. Brooks, of Vancouver, was bestman.

A reception was held following the ceremony at the Officers Mess, University of British Columbia.

Later the newly married couple left by plane for Penticton to spend a short time with the bride's parents. While in this city a family gathering was held to honor the young couple.

After returning to Vancouver, Lieut. Nodwell, who has been with the Canadian Officers' Training Corps at UBC, left immediately for a summer's duty in Germany. The young officer is a third year mechanical engineering student at the university and Mrs. Nodwell, who has also been attending UBC, is a graduate of the School of Nursing at St. Paul's Hospital, Vancouver.

Mrs. W. J. Hillyard and her mother, Mrs. Martha Cummings, left this week for Wainwright, Alberta, where the latter will spend the summer months with another daughter, Mrs. Hillyard will return home following a two weeks' stay there.

The Twelve Months To Be Depicted In "Birthday Tea" Table Decorations

The holly berry of the Yuletide, the orange and black Jack 'O' Lanterns of Halloween and even the bright greenery of St. Patrick's Day will be employed to interpret some of the novel arrangements planned for twelve tea tables which will be decorated to represent each month of the year at the annual "Birthday Tea" to be held on Saturday under the auspices of the Ladies' Aid to St. Andrew's Presbyterian Church.

Farewell Party For Mrs. Reeder

The members of the Red Cross work room gathered on Saturday evening in the work centre to honor Mrs. W. S. Reeder, work chairman, who is leaving Penticton shortly to take up residence in Beaverdam.

Mrs. Colin Macdonald, who made the presentation of a traveling clock to the guest of honor on behalf of the 30 guests present, stated that Mrs. Reeder's presence would be missed in the work room, but the clock would serve to remind her that she would be welcome whenever she was able to visit the centre as she had not been officially released from her position as chairman of the work room.

During the evening games and competitions were enjoyed and a skit was presented by the "Hayloft" quilters. Those taking part were Mrs. J. F. Miller, Mrs. F. O. Evans, Mrs. H. W. Corbett, Mrs. H. B. Greenleaf, Mrs. C. S. Conley and Mrs. J. F. Riley. This was followed by a hilarious monologue by Mrs. C. M. Finniss.

The evening concluded with refreshments served at a beautifully decorated table complete with spring blooms.

The committee in charge were Mrs. Finniss, Mrs. J. Anderson, Mrs. R. L. Smith, Mrs. H. W. Corbett, Mrs. L. V. Newton, Miss Flora Neil and Mrs. J. F. Riley.

Arriving recently to visit at the home of Mr. and Mrs. A. G. Schell, Latimer street, were Mr. and Mrs. Max Hadfield, of Milton, Ontario, and Miss Pat Portfield, of Oakville, Ontario. Mrs. Hadfield and Miss Portfield are Mrs. Schell's sisters.

Keremeos Legion Auxiliary Hears Address By Civil Defense Representative

KEREMEOS — There was, in spite of various conflicting events, a good attendance at the regular monthly meeting of the Ladies' Auxiliary to Branch 192, Canadian Legion.

H. H. Hill, local representative of Civil Defence, was guest speaker at the meeting. Mr. Hill, in his short address, emphasized the importance of being prepared for any emergency of disaster proportions, stressing the present possibility of a flood similar to that of 1948, and stated that in an unorganized district such as this, the responsibility would, of necessity, fall upon local groups and cited the welfare angle as possibly the one in which the Auxiliary might be of the greatest assistance.

Following the meeting the members unanimously voted to form a Welfare Committee and a special meeting of the executive and other interested members has been called for May 7 to further discuss personnel for and responsibilities of such a committee.

Other business of the meeting included preparation for the annual "Mile of Dimes" for the organization's welfare work to be held on May 8, arrangements for tea to be served at the annual convention to be held May 30 to June 2 in Penticton, for which the local Auxiliary will participate with the Auxiliaries of the Copper Mountain and Princeton Branches on the afternoon of Tuesday, June 1.

The official delegate to the forthcoming convention will be the Auxiliary's president, Mrs. J. Tesson; Mrs. F. Peck, standard bearer will be in attendance and several members have signified intention of attending as fraternal delegates.

Dinner Meeting By Soroptimists

Past president, Mrs. Frankie Palmer, occupied the chair at the recent well attended dinner meeting of the Penticton Soroptimist Club held in the Hotel Prince Charles. The president, Mrs. Hattie Kingsley, was unavoidably detained owing to attendance at the Kelowna Board of Trade's annual meeting that evening.

Mrs. Evelyn Tebo, club representative to the United Welfare Appeal group here, submitted a report on the first annual fund campaign which is being conducted this week by the organization. Practically all Soroptimist Club members are assisting in the canvassing of this city and district.

The club will again sponsor "Theatre by Starlight" in its series of summer plays on the Skaha Lake outdoor stage, Monday, Dudley, leading lady and director of the Lancaster Theatrical Company, has met with the club's president and executive and expressed pleasure in again having the club as sponsor for its second year of performances here. The season tickets, currently on sale at a special price, may be secured from club members or from its president.

Attractive "Penticton Peach Blossom" boutonnieres are being sold by the Soroptimist Club members to augment funds designated for the major project of the organization, assistance to a senior citizen program. These blossoms are hand made and closely resemble the natural Okanagan orchard apple blossoms.

Miss Mary Pack Speaker At CARS Meeting Here

While in Penticton to address a meeting of the Canadian Arthritis and Rheumatism Society held last Tuesday in the Hotel Prince Charles, Miss Mary Pack, provincial secretary, summarized various aspects of the organization's activities and illustrated them with films taken throughout the province.

"Penticton's work is outstanding," remarked the speaker. She disclosed that \$6,000 had been realized in last year's campaign conducted in this district, which extends from Summerland to the border.

The funds raised in that campaign and others cover the operational cost of treatment service in this area and provide a share in the research program. An average of 70 patients annually receive treatments in this district under the care of Miss Hazel Southard, physio-therapist at the Penticton Hospital. There are 26 mobile units working under the society in this province.

Miss Adelaide Evans, treasurer of the Penticton unit and secretary of the United Welfare Appeal, urged all to support the current week's campaign being conducted by the latter group. The local unit of CARS is included in the welfare fund campaign which covers Naramata too, she stated.

Demonstrating the curative powers of treatments under the CARS program was the presence at the meeting last week of J. W. P. Ritchie, who absolutely helpless and confined to bed over a period of years, after receiving several months physio-therapy at the local hospital, was able to come to the meeting on crutches. Mr. Ritchie expressed the hope that he may soon be well enough to discard the crutches too.

Among the many at the meeting conducted by president, Andy Bonnie, were six members of the Summerland Robekah Lodge CARS and Mrs. Shirley Scott, of Vancouver, provincial publicity convener of the society.

June Nuptials For Lorraine Anna Mickey And Emil Sikorsky, Jr.

Of interest to various British Columbia centres is the announcement formally made by Mr. and Mrs. Anthony Bernard Mickey, of Madison, Wisconsin, of the forthcoming marriage of their daughter, Lorraine Anna Mickey, of Woodbury, to Emil Sikorsky, Jr., son of Mr. and Mrs. Emil Sikorsky, of this city.

The bride-to-be attended Cardinal Stith College, Milwaukee, and at present is a teacher at St. Patrick's Parochial School, Woodbury.

Her fiancé is a graduate of Milwaukee School of Engineering, recently receiving a Bachelor of Science degree in Electrical Engineering. He is a member of Delta Phi Zeta Fraternity and a member of American Institute of Electrical Engineering. Mr. Sikorsky is employed by Radio Corporation of America at Lancaster, Pennsylvania.

The wedding will take place at the Woodbury Catholic Church on June 5.

Mr., Mrs. George Corbishley To Observe 50th Wedding Anniversary Next Week

The observance of a golden wedding anniversary next Tuesday for Mr. and Mrs. George Corbishley, of this city, could almost mark the anniversary of half a century spent as residents of Penticton.

It was just a little more than two years after the former Miss Elizabeth Curphey and George Corbishley were married in Macleodfield, Cheshire, England, on May 18, 1904, that they came to Canada to take up residence.

After arriving in this country the young couple came directly west to British Columbia and were among those very early settlers to reach Penticton by travelling the several miles of Lake Okanagan on the SS Okanagan. It was while passing Okanagan Landing during their boat trip here that they saw the SS Okanagan under construction there. It was in 1907 that the latter stern wheeler was launched to give many years of service to those travelling to reach the various communities adjoining the lake.

When Mr. and Mrs. Corbishley reached Penticton with its population of less than 200 they took up residence in their newly constructed home on Jernyn avenue. They lived there for nearly five years before moving to their home on Johnson road.

The two-story orchard home remains as constructed at that time and is now occupied by their younger son, Herbert, with Mrs. Corbishley and children. The pioneer couple's elder son, Donald, with his wife and children are residents of Oliver.

The anniversary celebrants attended St. Saviour's Anglican Church and it was shortly after arriving in this city that Mrs. Corbishley was confirmed by the late Rev. J. A. Cleland, Anglican rector here for a number of years.

Mrs. Corbishley became a member of the hospital women's organization when it was first formed here and has devoted a big part of her spare time to her hobby of wood carving. Many beautiful pieces of furniture carved by her grace their present home on Winnipeg street. A Welsh dresser holds a number of family heirlooms brought from England by the pioneer residents.

Mr. Corbishley is an ardent sportsman, having taken a very active interest until quite recently in badminton and tennis. In his earlier years he played football, being one of the members of Penticton's first team, and hockey. He is an ardent hockey fan, not missing any of the current games here.

Mr. Corbishley has devoted much of his time to the development of the fruit industry in the Okanagan. He is a charter member of the BCFGA of which a few remain.

In observance of their 50th wedding anniversary, Mr. and Mrs. Corbishley will be at home to their many friends at their home, 678 Winnipeg street, on May 18 during the afternoon from 3 to 5 p.m. and again in the evening from 8 to 10 p.m.

W.A. To Festival Ass'n Holds Monthly Meeting

The regular meeting of the Women's Auxiliary to the Peach Festival was held in the Inola Hotel on Monday evening with Mrs. Kenneth Davenport in the chair. Peach Festival Association president, Thomas Walker, and B. R. Hauschka attended as well. Mr. Walker outlined tentative plans of the various committees of the Peach Festival. A goodly number of members were in attendance and a report on the recent "Princess Tea" was read which proved to be very successful.

It was suggested that letters go forth to the various women's organizations, inviting them to send a representative to the regular monthly meetings as all the co-operation and help of every organization would greatly help towards the success of the Peach Festival.

The next meeting will be held in the Inola Hotel on Monday evening, June 14, and all women interested are cordially invited to attend.

Heirloom Christening Gown Worn By Yvonne Louise Cormier Here

Wearing her maternal great-grandmother's heirloom christening gown, the seven-months-old daughter of Mr. and Mrs. J. E. Cormier, Skaha Lake, was given the service of baptism on Mother's Day in the Penticton United Church. Rev. Ernest Hands was the officiating clergyman.

The principal of the christening principal are Mr. and Mrs. H. O. Cormier, of Calgary, and Mr. and Mrs. Kenneth G. Nicolls, of this city.

After the ceremony a luncheon was served at the home of the tiny girl's grandparents here. Guests included in the family gathering were Mr. and Mrs. R. L. Smith, Mr. and Mrs. John Shearer, Miss Muriel Shearer and Miss Mia Riva.

Cream together 3 tbsp. butter, 1 egg yolk, 2 cups icing sugar, 1/2 tsp. vanilla, 1/4 cup lemon extract (Shirriff's, of course). Add yellow food coloring to your own liking.

fresh, whole milk makes a fresher, richer, better-tasting cake!

Exclusive Dutch chocolate flavour from an imported Shirriff's blend

Royal Winnipeg Ballet Again Delights Pentiction Audience

The Royal Winnipeg Ballet made its third appearance here Monday night, in the High School auditorium. Sponsored by the Pentiction Branch of the UBC Alumni Association, its performance once again thrilled a capacity house. Okanagan Valley audiences look forward each year to the return of this company for each year of the ballet, with its profound sense of artistic value, grows and improves.

Gweneth Lloyd, the founder of the Winnipeg Ballet, is now its artistic director. To Betty Farrelly, ballet mistress and producer of the ballet work in Winnipeg and on tour, must go the credit for the acclaim that

the company has received in recent years. She is mainly responsible for the development and achievement of the principal dancers as well as for the coordinated team work and high standard of excellence of the corps de ballet. For the past year, Mrs. Farrelly has been ably assisted by Henry Guetel as general manager of the company. He leaves his position very shortly for service in the United States army.

A pleasant change from other years was the use of two pianos for the musical background rather than recordings. Henrietta Pelton and Richard Ellis gave an inspiring performance, and added

much to make the evening memorable.

The program opened with the second act of Swan Lake, with Eva von Gency, a leading ballerina with the company, as Odette, Queen of the Swans. This is one of Miss Von Gency's favorite roles and one might have thought that she had inspired it. Her technique was strong and clean and she showed a very real feeling for her part. She was supported by Arnold Spohr as Prince Siegfried. Mr. Spohr is not only a principal dancer but has choreographed three ballets for the Winnipeg Ballet.

Rachmaninoff's Concerto No. 2 in C minor, with choreography

by Gweneth Lloyd followed. In this abstract ballet, the rhythm reveals the concerto as a fluctuating pattern of swirling motion and of color, from crimson to strong violet and fleeting lilac. Miss Von Gency again took the lead, but all the dancers were excellent.

As the third number, the Pas de Deux from Don Quixote was replaced by the Pas de Deux from Tchaikovsky's "Nutcracker Suite". Gordon Wales, who was to have danced with Carlu Carter in the original number, injured his back and was unable to go on. Marilyn Young and Arnold Spohr appeared instead. Miss Young is one of the young-

est dancers in the company and was lovely in her part. Arnold Spohr, as always, left little to be desired.

"Finishing School" completed the program. Here again Gweneth Lloyd was responsible for the choreography. In this bit of modern ballet the dancers were happy and unrestrained. The setting is a fashionable girls' school in 1870. A rebellious new girl is admitted who upsets the entire school with her pranks. Carlu Carter as the new girl deserves special mention as does Marina Katronis as one of the parlor boarders. Adam Darius as the dancing master was outstanding. While in Pentiction, members

of the company enjoyed perfect summer weather and were entertained during the day by the Alumni.

After the performance coffee was served in the school cafeteria, also by the Alumni.

The company left Tuesday morning by train for Grand Forks and will play in Trail tonight.

Tour ends in Calgary with the 99th performance of this season. After disbanding for the summer, they will start again in October on a tour of the United States under the sponsorship of Columbia Artists. Following that series they will make another Canadian tour. —K.C.R.

Pentiction Horticultural Society Plays Host To Summerland Group

A most enjoyable evening was spent at the Glangarry room, Hotel Prince Charles, last Thursday when members of Summerland Horticultural Society were guests of Pentiction Horticultural group.

There were many exhibits of daffodils and narcissi and several beautiful arrangements of spring flowers and shrubs suitable for living room decorations to attract attention and admiration of all flower-lovers.

Many took advantage of the opportunity to buy seedling plants and they disappeared like waffles before a hungry family.

Nathaniel May, of Summerland Experimental Station, gave a brief talk on the newer annuals and reported on advantages of certain types and disadvantages of others. Among plants recommended were petunias, comanche, sonato and caprice, snapdragons, sultons, triumphs, Eddie's skyscraper, asters, Sutton's bright scarlet, Burpee's hybrid and zinnias.

Harold Barritt, of Pentiction, gave a brief talk on tulips and showed samples of the Marshall Hybrid variety, which he recommended. Among these were blossoms streaked with white as the result of a virus disease which is spread by aphids. He urged that anyone having flowers like this should immediately dig up the bulb and burn the whole plant.

Dr. James Marshall spoke on his recent trip to New Zealand. He said that he hoped to have pictures ready soon to show the beautiful gardens in that coun-

try, for no words could convey their beauty. New Zealand is a country of flower and garden lovers, he said, and cities of 15 to 20 thousand population have botanical gardens that would be a credit to Vancouver.

Ernest Bennett, of Summerland, said that gladioli should be planted now. If there is any indication of the presence of thrips the corns should be treated with a solution of corrosive sublimate of lysol.

Two films were shown, one on vegetable gardening and the other on African violets and gladioli, the two most popular house plants of today.

A. W. Watt, president of the Summerland Horticultural Society, thanked Pentiction for their hospitality and the opportunity to spend such a pleasant evening.

PTA NEWS
Guest speaker at tomorrow night's PTA meeting at the high school cafeteria will be G. A. Brand of Victoria Normal School. The meeting takes place at 8 p.m.

Mr. Brand will address the gathering on the current teacher shortage and members of the future teachers' club and their parents have been invited to attend.

A movement is afoot to interest more young people in entering the teaching profession.

The Clyde River in Scotland, one of the world's busiest water ways, is 106 miles long.

HIGH SCHOOL BAND CONCERT

Last night a Pentiction audience heard from one of this city's youngest organizations.

Under the direction of D. J. Hodges, about 40 members of the Pentiction High School Band, along with other musical groups of the school, presented their first annual spring concert. Unfortunately for the Pentiction hockey fans, the V's also drew an audience and the High School auditorium was by no means filled to capacity. However, the musicians played and sang with great spirit. Mr. Hodges is to be congratulated for his fine work.

For the program the audience heard from the Junior and Intermediate bands, both separately and combined. They gave a varied number of pieces, which were highlighted by a march which Mr. Hodges said he "filched" from the library of the Pentiction City Band. This number, "On the Great Concourse," was played with quite professional gusto. The Glee Club and Junior choir each sang numbers with which they had competed in the recent musical festival. Both choirs did exceptionally well in this festival, bringing more acclaim both to the school and to Mr. Hodges.

Mr. Hodges, Ann Parmley and Gertrude Dufee, talented young pianists, added to the evening with works by Brahms, Chopin and Schumann. The concert ended with both bands and choirs singing and playing the "Pen Hi School Song."

After the show Mr. Hodges had this to say: "I am very pleased with the band's progress. As for next year, if we are not at our peak we will certainly be much bigger and better than we are now. We hope to have 50 intermediate members and about 35 in the Junior band. We will have an orchestra and a dance band, also as well as our vocal work."

Some petroleum wells at Echigo in Japan date from the seventh century.

SCRAMBLED NAMES CONTEST grand prize winner, Mrs. A. A. Swift, 281 Haynes street is shown above, centre, following the presentation of the radio-phonograph combination to her Monday. Winners of series five and six were presented with their prizes at the same time. Left to right are Mrs. Sylvia Roberts, 126 Regina avenue; Mrs. Helen Nelson, 302 Brunswick street; Mrs. Swift; Mrs. K. Wright, 155 Nanaimo avenue and Mrs. Ted Collier, 1274 Kilwinning street. Judging for the final prize was carried out by a group of local business-men, headed by W. A. (Bill) Rathbun, Syd Watts, and Carl Harris. Judges agreed that all entries, those that had received either first second or third prize or honorable mention during the six contests, were all excellent, and each person deserved a great deal of praise for the amount of thought and effort that went into their entries. In view of this they gave honorable mention to Mrs. Irene Nicholson, 1032 Fairview road, and H. G. Dow, 1302 Kensington street.

V's Down—Far From Out

(Continued from Page One)

is poison with the puck so Millar angled over to angle off Warwick's bid for the winning goal.

Jack McIntyre, a lonesome V, unspotted by the Wolves, was left to stare at a gaping hole, a practically empty goal and then says McIntyre, "I suddenly had the puck — and there it was that empty goal just staring at me." There were fifteen seconds to go

when McIntyre decided that all he had to do was punch it in — and he did.

Anyone who thought that the crowd had done its best in previous efforts, learned differently — but it is doubtful if they will be able to do any better when the Allan Cup itself is won. It was a tremendous ovation lasting through to the final bell, increasing in crescendo as the victorious V's skated off the ice.

Wolves' Kid Line Was Really Flying

There were plenty of sick moments for the home town fans. The Wolves' kid line of McCelland, Kauppi and Flynn was a headache to the V's from the word go.

Playing Coach Grant Warwick came up with more weird combinations that worked, such as playing himself with Ernie Rucks and Dickie for a spell and then dropping back to play most of the game on defence and a rugged game it was.

It didn't look like the V's night out when, with two and half

minutes gone from the opening whistle, Ed Harrison did his now familiar but always spectacular gallop down left boards carzened around the defence and caught the V's goalie flatfooted.

That didn't fit into the V's plans and in ten seconds the V's had tied it up. Dickie Warwick couldn't plug the puck through a scramble so he skidded it to brother Grant. The angle looked hopeless, but a chunk of black rubber found its resting place behind Millar.

Woofers Kept Getting Jump On V's

The Wolves didn't waste much time getting back into the lead and at the six minute mark Gordie Heale and Lennie Speck combined to go through and Frank King scored another one of his spectacular planting the puck in almost nonchalant fashion where he decided it should be.

Grant Warwick went off for the first penalty of the game — charging and the Wolves howled, but the V's held, Ivan showing his stuff.

That's the way the period ended score 2-1, but the Woofers' kid line came through for dear old Sudbury with a smooth infiltration play which ended up with Yacker Flynn tipping in Mauno Kauppi's pass on a relay from Taiter McCollan.

V's got back in the game when Dick Warwick streaked through the Sudbury's defence, passed to brother Grant, Grant put it across for McIntyre to slap in and the teams came out in the third with the score at 3-2.

At the opening of the third coach Warwick put Don Berry on the ice the first time he has appeared since he was injured in the Kelowna series, almost two months ago. The liking the fans

have for the rugged youngster was evidenced in the big roar of welcome which greeted him as he stepped onto the ice.

Pentiction's Allan Cup hopes went out of the window within five minutes of the opening of the third period. Nick Tomluk on assists by captain Gordie Heale and Fred King and an assist from some loose covering by the V's all round, jumped the score to 4-2 at 1:28. Then Gordie Heale drove in what seemed the clincher at 4:31. Yogi Kraiger laid the puck down for Heale, who golfed it home.

V's tried hard to get back into the game but it was no dice until they got the big break — a break long overdue in this series and they made it pay.

SUMMARY

First period — 1, Sudbury, Harrison (DeFolice) 2:30; 2, Pentiction, G. Warwick (D. Warwick) 2:40; 3, Sudbury, King (Heale, Speck) 6:30. Penalties — G. Warwick, 7:10; Kauppi, 17:05. Shots on goal — Sudbury 12, Pentiction 7.

Second period — 4, Sudbury, Flynn (Kauppi, McCollan) 2:55; 5, Pentiction, McIntyre (D. Warwick, G. Warwick) 8:05. Penalties — G. Warwick, 5:15; Horvick, on goal — 36 to 33.

Heavy Rain

(Continued from Page One)

mitted by the city engineering department.

"We have paved ahead and underneath that bridge," it is pointed out by the city engineer, "and while that point does not give us as much carrying capacity as the lower reaches, we have fixed it up very much, and we don't anticipate trouble there, except under the most critical situation."

The Nanaimo bridge, it is also estimated, could not carry any 2,000 cfs. Its limit would be more likely to be about 60 percent of that figure.

But even this, at 1,200 cfs, would provide for four times the current run-off.

"To sum it all up," says Mr. Walker, "the creek is in better condition than it's ever been in since I came here and, so far as I'm concerned, I don't think we need worry too much."

The recent rain, in his judgment, "may be a blessing in disguise."

His point is that the sudden precipitation, and warming weather, can bring down quite a lot of water to lake level in a hurry, but not in such a hurry as to cause flooding.

"What it does is to get us back to the situation we should be in, at this time of the year, under normal conditions — and do it without causing trouble."

Industrial workers who develop occupational skin disease may help to prevent such conditions in most cases by personal cleanliness in washing off all chemical substances that could cause trouble.

5:15; McDonald, 15:50. Shots on goal — Pentiction 7, Sudbury 7. Third period — 6, Sudbury, Tomluk (Heale, King) 1:28; 7, Sudbury, Heale (Kraiger) 4:31; 8, Pentiction, D. Warwick (G. Warwick, Bathgate) 11:25; 9, Pentiction, Kilburn (McDonald) 14:40; 10, Pentiction, Fairburn (McIntyre, D. Warwick) 15:45. Penalties — DeFolice (major), 10:00; Horvick, 13:47. Shots on goal — Pentiction 13, Sudbury 8. Overtime — 11, Pentiction, McIntyre (G. Warwick, Conway) 1:45. No penalties. Total shots — 36 to 33.

Truckers Convene Here For Weighty Discussion

Approximately 80 delegates and wives of members of the Auto Transport Association of B.C. gathered in Penticton during the week-end for the organization's spring semi-annual session. Annual meeting of the group is customarily held in October.

Members heard encouraging reports of progress made in obtaining clarification of the previously clouded question of whether the Dominion or the province should have jurisdiction and control over highway transport. R. W. MacDonald, who had attended the recent conference in Ottawa dealing with this question, spoke of the new arrangement, whereby the control will be handed back to the provinces.

RECIPROCITY

It is now the hope of the group that full reciprocity of licensing, which now permits the owners of private passenger autos to travel across the Dominion and through the U.S. without paying extra fees, will be extended to the trucking industry.

In a statement issued subsequent to the business session on Saturday, Maurice McNair, of Penticton, president, and Kal Large, Vancouver, secretary, stated "We are convinced that if our nation is to prosper, it can do so only through the free interchange of goods between the thousands of producing and consuming areas that comprise our nation. Any artificial barriers (such as the need for extra licences) can have only one effect — to render less efficient and more expensive our national economy."

This province has been lagging behind other provinces in the matter of reciprocal licensing. Leaders of the ATA now hope that the recent Ottawa developments will spark B.C. into not only catching up, but proceeding ahead of moves previously made elsewhere.

While it seeks privileges, the ATA also realizes that it has responsibilities. The B.C. heads of the movement stated, pointing to a motion passed on Saturday afternoon, supporting "the Motor Vehicle Branch in its policy of suspending 'C' class chauffeur's licences where drivers' performance records are unsatisfactory."

QUALIFICATIONS

Stated Mr. Large "There is recognition by the trucking industry that those who drive heavy equipment must possess qualifications over the requirements of the present C class chauffeur's licences. The association is working in close co-operation with the Motor Vehicle Branch to produce regulations that will ensure the safe operation of commercial vehicles on the streets and highways of our province."

The ATA has been in close touch with the Hon. P. A. Gagliardi, and the Hon. R. W. Bonner in connection with both this move, and others, designed to increase the safety and efficiency of the operation of traffic. Mr. Large said: "One recent move is the endorsement of the regulations requiring the application of mud flaps to all commercial vehicles in B.C. in an effort to prevent damage to following cars or to private property from stones that might be whirled up by the big transport wheels."

In another move the ATA is working with the Motor Vehicle Branch and the Public Utilities Commission to bring about measures designed to insure the safe loading of log and lumber carriers. It is anticipated that these regulations will shortly be incorporated into the B.C. Motor Carriers' Act.

"This association is comprised of the major trucking organizations of B.C. Its goals are the extension to all B.C. citizens the advantages that are inherent in the modern fast and flexible system of transportation rolling on rubber," said Mr. Large.

SOME FUN ALSO

While the men were engaged in their deliberations on Saturday afternoon, the ladies were taken on a blossom tour of the district, and attended a tea given in their honor by the B.A. Oil Co. A banquet and dance was held on Saturday evening, the ladies being provided with a copy of the B.A. Oil Co. through R. Brimacombe, a former Penticton resident, now living in Vancouver. There was also a golf tourney for the truckers on Sunday morning, following a breakfast put on by Trailmobile Ltd.

"LITTLE JOE", a nine-year-old Korean orphan turns the tables on U.S. Air Force doctor, Lieut. Walter Herron, after the boy had received his monthly check-up. Found wandering in Korea he was adopted by the men of the U.S. 18th Fighter Bomber Wing.

COUNCIL WILL PRESS FOR CHRONICS HOME

Penticton City Council will enter a resolution at the forthcoming (May 21) meeting of the Okanagan Valley Municipal Association, a resolution calling for the establishment of home for chronically ill patients, suggesting that these homes should be either attached to hospitals or to senior citizens' homes. The BCHIS provisions should be extended to cover these proposed institutions.

Another resolution will ask that the 70c per diem hospital charge that is still in effect covering certain patients, be abolished, as being completely out of line with the new framework of the BCHIS.

Both these resolutions were advanced by Alderman Dr. H. G. Gartloch, and both are intended to eventually be dealt with at the annual Union of B.C. Municipalities Convention, after being processed by the valley group.

ASK REPRESENTATION

A letter from the city of Nanaimo asking for Penticton representation in its annual Empire Day ceremonies and parade, was turned over to the council's public relations committee. This group will co-operate with the Penticton Peach Festival and other groups in endeavoring to bring about representation.

Oilcakes used for cattle feed in Britain are made mostly of linseed, cotton seed or soy beans.

BREATHING SPELL TO GET USED TO NEW TRAFFIC REGULATIONS

Alderman Wilson Hunt, rejoining council after his illness, spoke in praise of the new traffic signs that have been appearing of late in the downtown area. Having resumed active chairmanship of the traffic committee, Alderman Hunt asked council to agree to publicity for the new traffic regulations, covered by the signs that have now been installed.

After a "reasonable period" of publicity, he said, that the new regulations, which were actually passed by council some months ago, should be rigidly enforced.

"We are asking all motorists to strictly observe the ruling covering crosswalks," stated Alderman Wilson Hunt to The Herald subsequent to Monday night's council meeting. "Drivers must not encroach on, nor pass over a crosswalk when same is occupied by a pedestrian. There have, in the past been many near-accidents through failure to observe this rule. From here on, this measure will be rigidly enforced, so that pedestrian traffic can be safeguarded."

The matter of centre-of-the-block crosswalks was discussed, with several aldermen remarking that "our city blocks are extremely long, and either you must ignore the 'jaywalking' or make some provision to permit people to get from side to side."

Alderman Hunt said that this question had been gone into fully by his committee, and had been discussed from many angles, but that no adequate solution had been forthcoming. He said that sooner or later, probably within a comparatively short time, there would be traffic lights at each intersection north of Eckhardt avenue, and that these would be synchronized. When that is accomplished, the matter of centre-block cross-

Three Unusual Meetings

11:00 a.m., 3:00 p.m. and 7:30 p.m.

Speaker, Captain W. Leslie of the Harbour Light Corps on Vancouver's Skid-row, and also three transformed and reclaimed men. Final meeting Monday, May 17th, 7:45 p.m.

VISITORS WELCOME

Former Lions District Governor E. J. Zapel Was Well-Known Here

Edwin J. Zapel, prominent citizen of Soap Lake, Washington, who died recently of a heart attack, was well known in the Okanagan through his association with the Lions International and the Independent Order of Odd Fellows.

Mr. Zapel was a past president of the Soap Lake Lions club, served as zone chairman and the past year has been district governor of District 19-D, Lions International.

EDWIN J. ZAPTEL

International. Recently he was awarded the first life membership ever given by the local Lions club for his outstanding work in Lionism.

Zapel was a past noble grand of the Soap Lake Odd Fellows lodge and past district president of District 12, IOOF Grand Conductor, Grand Lodge, jurisdiction of Washington, and recently was elected High Priest of the new Columbia Basin Encampment. He was also a member of the Ephrata Elks lodge.

He is survived by his wife, Katherine, at home; three sons, Edwin, Seattle; Arthur and Bob, at home; two daughters, Elizabeth Sabourin, Fairbanks, Alaska, and Mary Ellen Ray, Seattle, and five grandchildren; one sister, Elsie Peterson, Chicago.

He that spared not His own Son, but delivered Him up for us all; how shall He not with Him also freely give us all things?
—Romans 8:32

Expect Jaycees To Man City Garbage Trucks

Request of the Penticton Junior Chamber of Commerce for men to work with city trucks during the clean-up campaign, has brought forth council reply that they will supply the trucks, but feel that the Jaycees, comprising young and active men, should be able to man them.

Council agreed that the clean-up campaign is a worthwhile effort, but that some residents are abusing the privilege of getting material hauled away free. There were statements that people not only include small accumulations of trash, but gather up "old bedsteads, tires, and even their spring runnings and couch grass."

While willing to haul away trash, even to the extent of the bedsteads, and the tires, if these are conveniently located, council has agreed that it must draw the line at couch grass and similar garden matter as some people had gathered what would approximate "an entire truckload" of this material.

"When I was a Jaycee, we used to do the work, we got out and loaded up the trucks that were loaned for the drive," stated Alderman H. M. Geddes, who took over the chair as Acting Mayor just prior to this discussion.

Alderman H. G. Garrioch agreed with this, saying that in other communities the young men do the actual work of the picking up, after residents have gathered the material and placed it in the lane.

Consequently council will decline to supply the services of two city employees, other than the driver of the truck, to man it during the clean-up week; instead the truck and driver will be furnished for four days during the campaign.

A cylinder may often be removed from the eye with the corner of a clean handkerchief or by pulling the upper lid out and down over the lower lashes, so that the object is brushed out. If these simple procedures do not work, consult a doctor.

Naramata Locals

Mr. and Mrs. J. S. Dicken returned to Naramata on Saturday after spending a few days last week in Chelan and Wenatchee. They were among members of Edna Chapter, Order of the Eastern Star, Penticton, who attended the luncheon meeting held on Friday in Chelan by the International Past Matrons' and Patrons' Club. Prior to the Friday meeting they visited briefly in Wenatchee.

Mrs. Matthew Wilson, of Paradise Ranch, left last week for a visit in Vancouver.

Leaving Naramata on Monday evening for Victoria where they will attend the B.C. conference of the United Church of Canada were Rev. E. A. McLaren, principal of the Leadership Training; Rev. A. C. Pound, pastor of the Naramata United Church, and Mrs. Frank Luxton, congregational delegate.

Rev. W. S. Beames arrived from Kaslo on Friday to join Mrs. Beames and Miss Carol Beames at their Naramata lakeside cottage for the current week.

Travelling by air from Vancouver in their privately owned plane, Mr. and Mrs. Fred Mathers spent the weekend with their sisters, Mrs. Gwen Hayman and the Misses Kathleen and Dorothy Robinson.

Mrs. W. Cairn-Duff has arrived from Cranberry Lake on Vancouver Island to visit at the home of her son and daughter-in-law, Mr. and Mrs. Wesley Cairn-Duff.

The three groups from the Leadership Training School, who left on tours of various church centres immediately following the closing of the seventh term at the school, are concluding their travels this week. The four students have returned from the Kootenay tour; Rev. Clyde Woodland returned on Tuesday from the Vancouver Island visit and Miss Ruth Simpson, Dean of Women, and her group, will arrive back at the LTS on Saturday from the Alberta tour. The students, Miss Mary Ellen Dwyer, Miss Betty Ann Potter, Ray Bird and Bob Seales, who accompanied Mr. Woodland, remained on the Island to attend the B.C. conference of the United Church in session this week in Victoria.

Following the visit to Naramata last week by the Girl Guide and Brownie division commissioners, Mrs. E. A. Titchmarsh, of Penticton, the formation of a Brownie pack to commence activities in the fall is assured the community. Meeting with the commissioner, a group of mothers agreed to support the revival of the Brownie group, movement company may be reorganized later. Chosen as leaders for the proposed Brownie pack were Mrs. Kathleen Couston and Mrs. J. C. Donald.

Miss Gretchen Mathers, who is a flying instructor at Wetaskiwin, Alberta, was a recent visitor in Naramata with her aunts, Mrs. Gwen Hayman and the Misses Kathleen and Dorothy Robinson.

Mrs. O. C. Hogg has returned to her home in Naramata after spending the past three weeks as a patient in the Penticton Hospital.

Participating in the very impressive family service held in the United Church on Sunday, in observance of Mother's Day were Rev. A. C. Pound in charge of the service and who presented

a story in flannelgraph; Mrs. J. D. Reilly and Mrs. A. L. Day, each giving a children's story; musical selections with solos by Mrs. Jack Buckley and Miss Marlene Johnson and Junior Choir choral presentations. The offering was received by a mother and daughter and a son and father group. Taking part in this portion of the special services were Mrs. Kathleen Couston and Georgeen, and A. L. Day and Lee.

Mrs. E. Tennant, of Vancouver, and Mrs. R. Jessie, of Victoria, are currently visiting at the home of the former's son and daughter-in-law, Mr. and Mrs. E. C. Tennant.

Among those from Naramata attending the Women's Institute Rally in Penticton last Tuesday were Mrs. Gottfried Morche, official delegate, and Mrs. Donald Salting, Naramata W.I. secretary.

Mr. and Mrs. Oscar Swanberg, of Calgary, who have been visiting in Naramata since last Thursday with their son-in-law and daughter, Mr. and Mrs. Jack Buckley, are to return home on Saturday.

Of the eighteen currently in residence at the Leadership Training School, 12 are employed in the construction of the school's 13 new family cottages. These small homes will be ready for occupancy when students and their families arrive on the first of July to enroll for one of the various summer courses at the LTS. General construction is under the supervision of Rev. R. A. McLaren with the assistance of a contractor from Alberta, Jack Shaw, who with Mrs. Shaw and children, Carol and Patsy, are here for a month. The major portion of the work on the cottages is being done by volunteer labor. A plumber from Vancouver is contributing two weeks to the building and another experienced builder, a young man who is waiting his call to the RCMP, is in Naramata to assist with the construction work. Others at the school are working with new lawns and general upkeep of the large school grounds.

Men Of Harbor Light Corps Here Sunday

Captain William Leslie, of the Salvation Army, and three men from the Harbour Light Corps, Vancouver, will visit this city on Sunday and Monday. While here Captain Leslie will address two of Penticton's service clubs and the Salvation Army Hall, Sunday at 11 a.m., 8 p.m. and 7:30 p.m. and on Monday at 7:30 p.m.

The Harbour Light Corps, the first in Canada, situated on Vancouver's Skid-row, first opened its doors in 1953. Already it has proven to be "Lighthouse of hope" for the alcoholic, the drug addict, the man who has run afoul of the law and his God, who still wants "another chance."

Captain Leslie, a young, energetic officer, is a native of Toronto. He has served as an officer in the Salvation Army for nine years, the greater portion of this time being spent in this type of work.

Cracks and chips in dishes can be harboring places for germs. Customers of public eating places should never accept food served on such dishes.

MR. JOHN BAIRD

MR. MORT DUFFUS

Kelly, Douglas & Company, Ltd. in expanding their organization take pleasure in announcing the appointment of new Division Managers:

Mr. John Baird, Division Manager of Wholesale Operations.
Mr. Mortimer S. Duffus, Division Manager of the Retail Operations.

Mr. Baird was born in County Down, Ireland, and joined Kelly, Douglas & Company, Limited, in 1927. He was first employed in the warehouse and later went on the road as a salesman. He advanced progressively to Manager of the New Westminster operation, then as Manager of the Victoria branch, and for the past four years as Manager of the company's wholesale operation at Burnaby branch. Mr. Baird will supervise the operations of the company's eleven wholesale branch houses located throughout British Columbia.

Mr. Duffus was born in Calgary and has had some twenty years experience in the food business. He first served with Canadian Cannery, latterly as a resident of Great Britain in charge of export sales. He joined Kelly, Douglas in 1945 on his discharge from the Royal Canadian Navy where he served with distinction as Lieutenant-Commander. His first appointment with Kelly, Douglas & Company, Ltd. was as Assistant Sales Manager, then City Sales Manager, and for the past five years he has been in charge of the company's Store Service Department. Mr. Duffus will supervise operations of Super-Vu stores, as well as Red & White, Associated, and other group stores in British Columbia.

A lot of Services go with the Insurance you bought—
ARE YOU GETTING THEM?

The insurance agent provides you more than protection when you buy insurance. He provides year 'round service.

He can do a good job for you. It is his business to serve your requirements—arranging your insurance with one or more of the companies represented by him, which offer the best coverage to fit your needs. Holding an independent position in your community, he works for your greater good.

In case of loss, you benefit by his guidance and assistance. Whether it's an emergency or a simple routine matter, your insurance agent is ready to assist you the moment you call.

Enjoy the personal service provided by an insurance agent or broker.

Sports - Pourri

BY SID GODBER

Penticton in its third year of hockey had the privilege last night of witnessing one of the greatest Allan Cup games and one of the most dramatic comebacks recorded in the 45-year old history of the battered silver mug. That's what a lot of old timers tell me. For a team to come back in the last period to force overtime when down 5-2 in Allan Cup finals and then go on to win in overtime, scoring with only 15 seconds to play, must be something for the book — and if it isn't — who cares? — It will be something the folk of Penticton and, if no one else, the people of Sudbury, Ontario, will remember as long as they follow Canada's national game.

This comeback and dramatic last minute goals are getting to be routine for the Penticton V's — but they'll never be boring. What an ovation — I don't think Frank Sargent, big mogul of the CMAA up from Port Arthur, Ontario, to present the Allan Cup to the Sudbury Wolves, ever heard the like. He sat up in the gondola shaking his head — "unbelievable," he muttered.

When Jack McIntyre popped in that big one I was ready right then and there to guarantee his expenses to any place on this globe. But when will that guy get three goals? He promised me a hat before Christmas and now he's got precious little time to come through. But I can't see us sending those V's to Russia — risk those guys behind the iron curtain — I don't think so — a team like that isn't expendable.

And on the tarmac of the airport last night the CPA convair and crew was standing by to airlift the Sudbury Wolves, Maxie Silverman and the Allan Cup to Calgary from where they were to be flown on to Sudbury in time for a civic welcome and monster celebration scheduled for one p.m., eastern time, about 9 a.m. our time. And where are the Wolves today? Gnawing on the bones of bitter memories, unpacking their gear and wondering, wondering.

Penticton fans wanted that game — they wanted it all the more because the Wolves got just too cocky. Now, if the V's don't score another goal this season, no one will twitch an eyebrow. The only thing is that after such a comeback it would be sort of a pity not to go all the way and pick up that big silver mug.

Don't let's kid ourselves, the Wolves had that mug last night. The V's for all their fight wouldn't have cracked the Wolves' defence for three goals, but for the help of one George DeFence. When George blew his top and garnered five minutes in the cooler — it was a new game for the V's. Pete Horeck, acting nasty, also helped out the cause. In the space of four minutes and 20 seconds the V's had it all tied up.

Coach, president and what have you of the Wolves, Max Silverman, took a dim view of George's exhibition. Likewise the fans took a dim view of George's behaviour in the penalty box and how come the referees kept him in the game, particularly after he left the box, a serious offence according to the book, is one of the questions on coffee row today.

Incidentally, Max Silverman may be a tough hombre when it comes to hockey but he can take a beating. That was a bitter defeat to swallow but Max didn't go off in a corner and sulk. He was in the Warwick cafe after the game prepared to talk it over with all and sundry. He asked me to pass on his appreciation of the "wonderful hospitality extended by the people of Penticton to himself, the team and its supporters."

V's didn't look any too good on some of those goals. That second one, by the way, shouldn't have been allowed, it was offside by a mile, but some of the others were gifts. Defence seems too tensed up, same applies to Ivan McLelland but there again if the wings would come back more it would help steady the back of the blue-line gang no end. Notice the new defenceman — stocky little guy, black-haired, name of Grant Warwick. Sometimes lose sight of him as the wolf pack tears down but their claws and fangs don't seem to worry him.

That same Grant Warwick is doing a whale of a job of coaching — coaching on the fly. He must have played nearly fifty minutes of that never-to-be-forgotten game and at the same time he was outfoxing the foxy Silverman.

V's looked their best in the overtime — they backchecked and forechecked, defence was rock steady, McLelland was sharp, playing the angles. But what a team — take 'em from left to right and hats off to the best in the west — the best in Canada.

And a bouquet to the Penticton fans who when the V's were down three goals didn't rest their tonsils, keeping up that thunderous chant of GO-V's-GO.

A's Open King's Park With 7-0 Win

Mayor Delivers First Pitch As Okonots Stumble

There was a colorful ceremony — band music, beautiful girls and high civic brass to officially open the baseball season at King's Park Sunday and the A's played their part well by dumping the Kamloops Okonots 7-0 for their second win in three starts. The victory for the local nine also evened up for the 5-2 defeat handed the A's by Okonots in the league opener April 25.

Queen elect Val-Vedette VII, Ardell Getz, and her two princesses, Arlene Gartrell and Pat Hutson gave the opening fanfare the feminine touch. Frank Milgins, president of Little League, spoke briefly to the crowd of close to 300 and a number of Little Leaguers in their spanking new uniforms were introduced.

Highlight of the opening was the one-pitch, three-man ball game civic officials put together. Mayor Oscar Matson, wearing an ancient Penticton ball jacket went to the mound to deliver the first pitch; Alderman Frank Christian crouched behind the plate and Parks Board Chairman Alex McNicoll stood ready in the batter's box. Mayor's pitch was high and inside.

Okonots fell short of anticipated strength that has given them three wins in four starts. On the other side of the ledger

LLOYD BURGART
... stellar work at short

the A's were working smooth in the field and tallied up nine innings of errorless ball.

Ted Bowsfield went the distance for the Penticton crew but he has a lot more on the ball than was shown Sunday. Ted gave up five hits, walked four as the plate began to shift on him and struck out four. Every now and again the A's number one chucker reared back and tossed across a stinging Bowsfield pitch but it was obvious that Ted is easing himself into the season carefully.

Kamloops' Bob McKinnon went the route for Okonots in an inspired performance that saw him give up 11 hits, two walks and strike out five. His assortment was a little thin and five errors by team mates easily turned the tide in favor of the A's. Jerry Barber, former Naramata junior star, provided the big kick of the afternoon in the seventh inning as he belted the apple over the right field fence for the first homer in King's Park this season.

Barber had been building up to the round trip clout all afternoon and finished up with a three for four tally. Leacock man in the second and fourth innings he cracked out a single then a double before swinging into the big one.

Lloyd Burgart showed stellar form at short and Nicholson at second, Posnikoff at third and Moore on first make a sweet combination that will again make the Athletics a tough proposition in the OMBL this season.

Penticton	AB	R	H	P	O	A
Preen	5	0	0	1	0	0
Nicholson	5	1	1	2	3	0
Posnikoff	5	0	2	0	4	0

Rhoda 4 0 0 0 0 0
MacKinnon 4 0 0 0 0 0
Total 31 0 5 24 14

Bob Campbell, of the Kelowna Orioles baseball club, is leading the OMBL batting parade in the season. He has played 12 games to date, scoring 12 runs, hitting 12 home runs, 500 for his team times at bat. Team mate Joe Connors is close on his heels with an average of .454.

Annual Okanagan Track Meet Here This Weekend

Over 300 high school students will gather in Penticton this weekend to participate in the 27th annual Okanagan Valley high school track and field meet. Between 100 and 125 of these competitors will arrive Friday evening for the heats which commence at six o'clock.

Lawn Bowlers Put Out Welcome Mat For Members

Penticton Lawn Bowling Club held a meeting in the club house on Thursday for the purpose of organizing the Commercial League for the coming season.

In as much that this league will take in a good number of beginners each year, it was decided to run the competition in two sections. One composed of the players to date who are more experienced and another section to be composed of an experienced skip and third, and two beginners playing in the lead and second position.

The fee for those who are not members will be fifty cents, and all prospective players are asked to contact any of the present members, or they can phone Bill Harris, president, at 2609 or the secretary, Don Abel, at 3515. The rules were all revised in keeping with the competition and copies will be posted in the club house.

Many suggestions arose and a good deal of discussion for the betterment of the game. The committee is indeed very optimistic for the coming season.

All effort possible is being put into ways and means to get new members and everything will be done to welcome the beginners and coach them on the green.

All you have to do if you are interested in this pleasant sport and pastime is to contact one of the members, and arrangements will be made for you to attend the green for a trial at no expense.

Track Results Of Summer'd AOTS Meet On Saturday

Kelowna, Trail and Vernon high schools shared the winning of individual aggregate awards at the Summerland AOTS track meet held last Saturday. Each took home two.

Vernon picked up the Intermediate and senior boys' trophies with Larry Yakimovitch and Gordon Bristowe doing the honors. Yakimovitch won the Intermediate boys' 100 yards dash and 220 and placed second in the broad jump. Bristowe copped the senior boys' 100 yard sprint and 220 and ran the 220 leg of the senior relay.

Roger Orchlson and L. Fenwick picked up the junior boys and junior girls aggregate awards for Kelowna school. Rigor scored sixteen points as he won the 100 and 75 yard dashes, placed third in the broad jump and ran on Kelowna's first place relay team. L. Fenwick scored 14 and one half points to beat Penticton's Gerry Anderson by one half point in the junior girls division.

Trail aggregate winners were Shirley Tjader, senior girls, and S. Platt, intermediate girls. Shirley easily won the senior girls 75 and 100 yard dashes.

Cricket Season Open For Naramata Eleven Sunday With Practice Game

The 1954 cricket season opens on Sunday, at two o'clock in the afternoon, with a practice game to be held on the grounds of the Naramata club.

This club will go into the coming season with most of the same members playing as in the previous year, but now members are always cordially welcomed, and would assist the club greatly in their effort to win the Spencer cup for the fifth consecutive year.

The league schedule has now been drawn up and shows 12 games to be played by the Vernon, Kelowna, and Naramata eleven.

Games to be played at Nara-

Students from Kamloops, Armstrong, Enderby, Lumby, Salmon Arm, Vernon, Rutland, Kelowna, George Pringle (Westbank), Summerland, South Okanagan and Penticton will run, jump and throw against each other in the second largest high school meet in B.C. This meet is second in number of attending schools only to the B.C. interhigh meet which will be held in Kelowna May 28 and 29.

Forty events will make up the program for Saturday's events as the athletes compete for the top six places in each entry.

Points are awarded for aggregate competition for the first six with the following scale used: first 8, second 4, third 2, fourth 1, fifth 1, sixth .5. For the relay points are: first 10, second 5, third 3, fourth 2, fifth 1.5, sixth 1.

There are a total of 24 trophies at stake in this meet, led by the Grand Aggregate Award for schools of over 500 population. For the past two years Vernon High School has won this award last year outdistancing all opponents easily.

This meet rotates around the three main schools in the valley, Penticton, Kelowna and Vernon with each school sponsoring it every three years.

Starter for the day will be Bill Ladner of Armstrong. Mr. Ladner has much experience in this line as he was starter for many previous Okanagan Valley meets and has also handled some of the chores at the Interior Championships. Announcer is expected to be Okanagan Regional Director of Provincial Recreation, J. H. Pantou, of Kelowna.

Handling the final organization of the days events will be clerks of the course, H. K. Bearsto and G. A. Clark, of Penticton. Referee will be former Penticton high school principal L. B. Boggs. Chief track judge will be South Okanagan high school principal, C. E. Ritchie, and his counterpart in the field events will be J. Logie, of Kelowna high school. First Aid for the afternoon is under the direction of Penticton St. John's Ambulance and field doctor is Dr. H. B. McGregor.

Madaline Arsens Wins Ladies' Golf Honors Thursday

In the Penticton ladies' golf club competition Mrs. Madaline Arsens won the gold button and spoon with a net score of 79. Mrs. Mary Johnson won the silver button and spoon with a net score of 77 and the nine hole winner for possession of the Nichol cup was Mrs. Hilda Cowie.

The draw for the Thursday play — the Burnside Rose bowl two-ball foursome is as follows: 1. Gail C. Campbell, M. Arsens, B. Carson; 2. Southworth, G. D. Timmer, H. Cowie; 3. Marlow, M. Johnson, E. Johnston; 4. Lawson, N. Dalnos, R. Burch; 5. Betts, R. Young; 6. Latimer, M. Hyndman; 7. Jamieson, E. Odell; 8. Howard, G. Syer, M. Thom-M. Joplin; 9. Fleming, E. Cooper; 10. Mather, J. Battison; 11. Brodie, P. Gwyer; 12. Asman-Moore.

The date for the visit of the Calgary C.C. has been tentatively set for the last week in July, and Trail is expected in the last week in August.

Date for the game to be played against the touring Vancouver cricketers has not yet been determined.

Any former cricket players and those who would like to join the club for the coming season are invited to participate in the practice game called for Sunday.

Sudbury Backs V's To The Wall With 8-2 Defeat Here Saturday

Sudbury Wolves unleashed a high-scoring offensive coupled with a close-checking defence here Saturday night to trounce Penticton V's 8-2 in the fourth game of the Allan Cup final.

V's were four goals down before the game was eleven minutes old. Wolves held a 5-1 lead in the first period and netted three more in the second while V's were held to a lone goal by Jack McDonald. Veteran Grant Warwick got the other Penticton tally.

Frank King led the visitors' scoring barrage with three goals and an assist. Tatter McClelland scored twice, with singles going to Ed Harrison, Yogi Kraiger and Nick Tomiuk.

Shots on goal told the story — Sudbury 42, Penticton 23.

NEVER IN TROUBLE
Sudbury won the first game 2-1 and dropped the second 6-2, then came back for a 3-1 victory in the third game.

Wolves, back-checking tenaciously and their passing plays clicking to perfection, were never in trouble.

Frank King sent the big Sudbury squad into a lead they were not to lose before the game was three minutes old when he banged in Red Barrett's goalmouth pass. Bill Warwick was sitting out a kneeing penalty at the time.

Ed Harrison, Tatter McClelland and defenceman Yogi Kraiger added three more by the 10-minute mark with penalties again playing a part in two of the three goals. Dick Warwick was off on a hooking penalty when Harrison tallied and Kraiger's goal came with Dino Mascotto and George McAvoy of V's and Gordie Heale of Wolves in the penalty box.

GRANT DRILLS ONE
Fiorio Geogan was off on a high-sticking penalty when veteran Grant Warwick drilled in Penticton's first period goal that came on a quick passing play with brother Bill Warwick and Kev Conway. King added his second goal before the period ended.

Wolves continued to dominate play in the second with Nick Tomiuk taking King's pass inside the blueline for the sixth Sudbury goal before the period was two minutes old. King broke away for an unassisted tally seven minutes later while his team was short-handed and Mark Flynn added yet another at the 17-minute mark.

McDonald finally broke through the tight Sudbury defence with only 17 seconds left in the period to end the scoring. Wolves slackened the pressure in the final period but V's were unable to launch a dangerous rally.

Goalkeeper Harry Lumley, Toronto Maple Leafs, and centre Ken Mosdell, of Montreal Canadiens, are the two players making their initial appearance on the NHL All-star team.

NICK TOMIUK
... steady Sudbury power

play in the second with Nick Tomiuk taking King's pass inside the blueline for the sixth Sudbury goal before the period was two minutes old. King broke away for an unassisted tally seven minutes later while his team was short-handed and Mark Flynn added yet another at the 17-minute mark.

McDonald finally broke through the tight Sudbury defence with only 17 seconds left in the period to end the scoring. Wolves slackened the pressure in the final period but V's were unable to launch a dangerous rally.

V's Fade 3-1 In Kelowna To Give Sudbury Lead In Allan Cup Series

KELOWNA —Sudbury Wolves outplayed Pentiction V's 3-1 here Friday for a 2-1 lead in games in the best-of-seven Allan Cup hockey final.

Wolves led 1-0 by the end of the first period on a goal by Lennie Speck. Tattler McLennan and Flori Goegan scored in the second period while Grant Warwick replied for Pentiction. The third was scoreless.

Being behind is the position seemingly favored by the V's. Two of their three playoffs leading to the cup final were won in the eighth game of scheduled seven-game series. Both times they came from behind.

In a game played with the thermometer outside reading in the 50-60 region as the fruit-growing Okanagan enjoys a spring heat wave, Wolves led all the way. A slow shot from the blueline gave Sudbury the 1-0 first period lead. Speck took a pass from Frank King and Gordon Heale let go a floater.

The shot caught Pentiction goalie Ivan McLelland flatfooted. It drifted across his pads and into the right hand corner of the net.

Sudbury carried the play in the first period. And after the goal, they stayed out in front all the way, outskating and out-checking the V's.

The famed punchline of the three Warwick brothers was only at two-thirds strength for the

Pentiction High Enjoys Sweet Revenge In Victory Over Kelowna At Summerland AOTS Meet Saturday

Vernon Wins Top Honors In Third Annual Track And Field Meet

Vernon high school track and field stars again captured the Grand Aggregate trophy at the third annual AOTS meet held in Summerland last Saturday. The northern representatives scored a total of 181½ points compared with their nearest rival, the Pen Hi team, which won a total of 133½ points.

Four Allan Cup Game Summaries

Tabulated below are the summaries for the first four games of the Allan Cup finals between Sudbury Wolves and the Pentiction V's. The Wolves won the first contest, lost the second and triumphed in the third and fourth games.

First Game

MONDAY

Sudbury 2, Pentiction 1
First period — 1, Sudbury, Speck (Lavelle) 6:30. Penalties: Horeck 2:30, McDonald 2:30, Kraiger 9:28, Lavelle 13:43, D. Warwick 13:43, Kauppi (10-min. miscon.) 13:43, Lavelle 17:50.
Second period — No scoring. Penalties — Defelice 2:25, B. Warwick 2:25, Defelice 7:47, Mascotto 7:47, D. Warwick 9:37, Mascotto 12:40, Horeck (minor and 10-min. miscon.) 17:13.
Third period — 2, Sudbury, Tomiuk (Milne) 5:53, 3, Pentiction, Fairburn (G. Warwick, B. Warwick) 5:17. Penalties — Lavelle 4:28, Lavelle 9:11, Flynn 17:03.

Second Game

WEDNESDAY

Pentiction 6, Sudbury 2
First period — Pentiction, D. Warwick (McIntyre) 16:05. Penalties — Kilburn 3:52, Conway, 6:01, Bathgate, 7:18; Horeck, 13:53.
Second period — Fairburn (B. Warwick, McDonald) 3:17; Pentiction, McIntyre (D. Warwick, Conway) 6:03; Sudbury, Harrison (Defelice) 7:10; Sudbury, Heale (Speck) 9:33; Pentiction, C. Warwick (D. Warwick, Bathgate) 15:45. Penalties — Milne 3:33, Defelice 2:33; Lavelle, 6:42; McDonald, 9:30; Lavelle, 12:46; Speck, 14:20.
Third period — Pentiction, Conway (McIntyre) 3:44; Pentiction, Montgomery, 11:35. Penalties — Kauppi, 3:37; G. Warwick, 8:47; Graiger, 8:47; Conway, 14:48; B. Warwick, 17:28; McLelland, 17:28.

Third Game

FRIDAY

Sudbury 3, Pentiction 1
First period — Sudbury, Speck (King, Heale) 12:38. Penalties: Montgomery, 10:25; D. Warwick, 16:04; McLennan, 16:04.
Second period — Sudbury, McLennan (Kauppi) 3:36; Sudbury, Goegan (Kauppi, Barrett) 10:09; Pentiction, G. Warwick (D. Warwick, McIntyre) 17:03. Penalties — Mascotto, 6:08; Goegan, 7:11; McLennan, 16:00; Rucks, 19:15; McLennan, 19:15.
Third period — No scoring. Penalties — McLennan, 3:29; Conway, 6:56; Speck, 16:13. Stops — McLelland 31, Millar 20.

Fourth Game

SATURDAY

Sudbury 8, Pentiction 2
First period — 1, Sudbury, King (Barrett) 2:29; 2, Sudbury, Harrison (Defelice, Goegan) 6:23; 3, Sudbury, McLelland (Flynn, Kauppi) 8:25; 4, Sudbury, Kraiger (Harrison, Horeck) 10:23; 5, Pentiction, G. Warwick (Conway, W. Warwick) 16:10; 6, Sudbury, King (Tomiuk, Goegan) 17:11. Penalties — King, 1:18; W. Warwick, 1:17; Speck, 5:23; D. Warwick, 6:13; Mascotto, 9:05; McAvo, 9:13; Heale, 9:13; Goegan, 14:50; Barrett, 18:14.
Second period — 7, Sudbury, Tomiuk (King, Kraiger) 1:50; 8, Sudbury, King 8:44; 9, Sudbury, McLelland (Flynn, Kraiger) 17:43; 10, Pentiction, McDonald (Rucks, D. Warwick) 19:46.
Third period — No score. Penalties — McDonald, 2:20; Mascotto, 17:47.

A GOOD TRY BUT the biscuit slipped by is the split second story caught here by cameraman Harry Davis as Sudbury Wolves score on the V's in the opening round of the famed Allan Cup playoffs. Pentiction custodian, Ivan McLelland, has performed sterling duty for the club against a strong team.

Pentiction Golfers To Host Men's Commerk Tourney May 22-23-24

Local golfers have May 22, 23 and 24 well circled on the calendar for this year they are host for the annual commercial men's golf tournament. About 80 golfers will take part in the three day event that is regarded as one of the highlights of the season.

Hugh Lynch, of the tournament committee, estimated that approximately 50 entries will be from out of town and the proceeds are earmarked for the provincial polo fund. A number of prominent golfers from the coast are expected to take part and the committee have secured the services of the well known Bill Thompson, Vancouver, as tournament starter.

This golfing event circulates through the interior and last year notched another success at Kamloops. It was four years ago that the Pentiction club last played host.

The prize list is growing steadily day by day with a tally of 25 local prizes and ten from coast firms already posted. There will be a big parade to the loot table when the tourney is finished, said Hugh Lynch, for the competitions are broken down into flights for every class of golfer.

Local golfers have been requested to play their nine hole

Several requests have been received by the Herald for copies of the song "Ode to The Fabulous Pentiction V's" which was written by a man from Newmarket, Ontario.

Pen Hi In Three Way Tie For Softball Title

Good care of the feet will make life easier for those who have to do much standing or walking. Well-fitted shoes are essential.

qualifying round on Friday in order to get the competitions away in good time Saturday morning. Entry fee for non-members is \$5 and for members is \$3. In addition to the golf, there will be the popular pitch and putt competition and the long drive contest to round out the entertainment.

The committee in charge of arrangements is staffed by Ronie Jamieson, Art Marlow, Bob Paterson, George Arsen, Hugh Lynch and Bill Carse.

Pentiction high school boys split in a three way tie for first place in the South Okanagan high schools boys' softball tournament held at Hedley last Saturday.

The locals defeated South Okanagan high school 10-1 and then were set back 13-1 at the hands of Similkameen school. Later in the day South Okanagan defeated the Similkameen lads to make things even again and forced another tourney. This will be held in Pentiction on May 22.

Pen Hi girls placed second to South Okanagan in their tournament held in Keremeos as they defeated Similkameen but lost out to South Okanagan.

V's Square Series One All With Smashing 6-2 Win Over Invaders

Power which carried the Penticton V's to the Western Canada senior hockey championship was unleashed against the Sudbury Wolves last Wednesday night at Vernon and the eastern champs were rocked back on their haunches, the Warlick men squaring the Allan Cup series at one game apiece with a smashing 6-2 win.

V's lost the first game of historic series 2-1. A game won and lost on the breaks, but there was no question on Wednesday, the V's were top dogs from the first to the last whistle and the Wolves were lucky to break into the scoring column at all.

An arena jam-packed with north Okanagan hockey fans was solidly behind the V's and the western champs responded with a dazzling lesson in the art of hockey.

Playing coach Grant Warwick kept Toxy Max Silverman, Sudbury's coach, guessing with line switches, coming up with a veteran trio in Jim Fairburn, Jack McDonald and Bill Warwick. He finished up with four defencemen on the ice, with George McAvoy, Kev Conway, Ron Montgomery and Dino Mascotto smashing back the Wolves' last period bid to get back into the game and forechecking deep in enemy territory, snaffled the puck and raced in to beat Al Millar for goal number six.

The scoring punch was spread through the team. It was a big night for Jack McIntyre. Playing with Dick and Grant Warwick the V's all-rounder picked up a goal and an assist. Dickie Warwick, Jim Fairburn, Kev Conway, Grant Warwick and Montgomery scored the others. Assists went to Jack McDonald, Dick Warwick, Bill Warwick and Bernie Bathgate.

The Wolves got into the scoring column on a comedy play which followed a surging pressure attack by the V's while Lavell set out one of his four penalties of the night in the second period. V's rammed the puck across the goal line in a scramble but no light flashed and while the V's argued around the Sudbury goal, Ed Harrison scooped up the loose puck and streaked down the right boards. By the time the V's lapped him he was cutting in on goal and all they

could do was watch him paste the rubber past McLelland.

Sudbury got back into the game when Jack McDonald was thumbed for tripping. The husky V's centreman, stand-out in the game, hadn't got seated before Gordie Heale tipped in Lennie Speck's blueprint shot to make the score 3-2.

It took the V's five minutes to get matters back under control a hectic five minutes in which the Wolves stormed hard for a tieing goal. Then playing coach Grant Warwick scored clean as a whistle on a three man play—Bathgate to Dick Warwick to Grant Warwick.

The Wolves big chance of taking two in a row over the V's came in the first period when V's had to weather three penalties in the space of five minutes and 26 seconds, 34 seconds of that time with only three men. And again it was goalie Ivan McClelland, backed up by some stellar defensive work, that held the hungry Wolves at bay.

Dick Warwick got the one big goal of that period to start the V's on their way to victory. Al Millar was performing near-miracles in netminding. He corked with a spectacular nose-dive to get back into the game and driving finish by George McAvoy and then Jack McIntyre dug out the puck, fed to Dickie Warwick behind the goal and the V's starry little centre man whipped it round the post and in to the delight of the fans.

It was defenceman Kev Conway who smashed all hopes of a Sudbury comeback in the third frame when with less than four minutes gone he bounced the puck past Millar and again it was cagey McIntyre who fed him the puck.

The V's forechecked and backchecked mercilessly and they were in high gear throughout the period. Wingers Doug Kilburn and Ernie Rucks centred by Bathgate did a sound job of backchecking and forechecking, and only phenomenal work by goalie Millar kept this line out of the scoring column.

The V's, tired from a long and gruelling season without reserve man-power, weren't at their sparkling best, but they were recognizable as the V's—something which was not the case in the first game.

Traditional Sport Fishing Open As Closing Dates Now Abolished

British Columbia anglers who fish in mainland lakes this year will find that the traditional opening and closing dates for sport fishing have been abolished. The Game Branch reports that it is now within the law for a properly licensed angler to fish any mainland lake at any time of the year, with the one proviso that it is illegal to fish through the ice at any time.

The liberalization of the sport fishing regulations does not apply on the mainland to streams, nor is it applicable to lakes or streams on Vancouver Island.

The move to simplify and liberalize the sport fishing laws is in line with similar actions which have recently taken place throughout the continent, and will cut from the regulations some seventy clauses which previously laid down differing open dates for individual lakes.

Careful study of each regulation, coupled with findings from research projects carried out by the fisheries section of the Game Branch, made it apparent that many of the restrictive clauses were obsolete and served no useful purpose in fish protection. In addition, the many separate opening dates tended to make the regulation booklets confusing to anglers.

As well as cancelling legal opening and closing dates in mainland lakes, the new fisheries regulations contain a list of some fifty fishing waters where the legal size limit for trout will be six inches.

Previously it was illegal to take trout measuring less than eight inches from most of these waters.

The main reason for lower size limits is to encourage anglers to fish lakes and streams where fish are predominantly small and similar moves have proven beneficial to lakes elsewhere.

The eight-inch size limit was apparently imposed originally in the belief that each fish should spawn at least once before being caught. It is now believed that this should not necessarily occur. The new regulations will affect some hundred thousand anglers, one-third of whom will be non-residents.

MIXED LEAGUE
Wednesday—Three game high team, K of C, 3343; single game high team, K of C, 1203; three game individual high, Gordon Lines, 803; single game individual high, Gordon Lines, 300; Ladies' three game high, Bernadette McDonald, 702; Ladies' single game high, Mary Tadey, 270.

Thursday—Three game high team, Merry Makers, 2089; single game high team, Transits, 1113; three game individual high, John Lendon, 742; single game individual high, Frank McCall, 328; Ladies' three game high, Stella Swift, 703; Ladies' single game high, Stella Swift, 300.

Tennis Club Meet May 9; Start Soon

The Skaha Lake Tennis and Country Club will hold the annual meeting and election of officers next Wednesday. It was announced this week.

The meeting, slated for the Board of Trade rooms at eight o'clock in the evening, will open its doors to all new members. Plans will also be laid for the annual club-round robin tournament which will be played near the end of the month.

The courts are reported to be in good shape.

Potatoes, eaten with reason, won't cause overweight. Since the skin contains valuable minerals, it is best not to peel them.

Sorgum was the name used by four Popes between the years 687 and 1012.

Had
your aluminum today?

CHANCES are you have, because practically everything we eat—grains, vegetables, meat, milk, eggs—contains aluminum. This is not surprising, since one-eighth of the earth's crust is aluminum.

Aluminum is most readily available commercially, however, in the form of bauxite ore. Alcan ships this ore from South America to feed its pot lines at Arvida, Isle Maligne, Shawinigan Falls and Beauharnois, P. Que. When the huge new Kitimat development is completed in B.C., refined ore will be shipped up the West Coast from South American or other abundant sources. Aluminum Company of Canada, Ltd. (Alcan).

Athletes Break Nine Records At Summerl'd Meet

Records meant little to athletes competing in the third annual AOTS high school track meet held in Summerland last Saturday. In all, nine previous marks were bettered throughout the day of competition.

Penticton placed three more names in the record book. Pete Horsnell, taking part in his first interhigh track meet, bettered the previous record in the 14 and under boys division. With a jump of five feet two and one eighth inches Pete easily outdistanced the former height of five feet. Esther Snider was the second Pen HI student to place her name in the books as she set a new mark in the senior girls discus with a heave of 84 feet eight inches—79 feet eight inches was the previous mark.

Gerry Anderson made a name for herself as she tossed the junior girls softball 154 feet, eight inches to set a new record. In the intermediate girls softball event Gerry broke the record but as it was on the fourth throw it will not be officially recorded.

Trail also showed well in the record breaking division as three new times were set by Trail athletes. Bob Bush had the hardest fight to set any record as Eugene Fandrich of Vernon pushed him all the way to set a new time of 54 seconds flat in the open boys quarter mile. Jim Tibball, of Penticton, set the previous mark at 54.6 seconds last year.

Trail senior girls relay also set a new record with a time of 54.9 seconds by breaking the old record by two-tenths of a second. G. Clenden set a new height in the intermediate boys pole vault at 9 feet, eight inches, easily outjumping the old mark of 9 feet, one and one half inches.

Kelowna broke two records with R. Cottle tossing the intermediate boys discus 97 feet ten and one half inches. L. Fenwick captured the junior girls 60 yard dash in the fast time of 7.7 seconds to better the best previous time by one whole second.

Vernon's Gordon Bristowe, top sprinter of the day, set a time of 10.6 seconds as the object for future runners in the senior boys 100 yard dash.

Fish Derby Champs Get Loot Monday

This Monday evening at the regular meeting of the Fish and Game Club the April 25 fish derby prizes will be awarded. Gert Miller, Mr. Rasmussen, Merv Foreman, Des Haddleton and Merv Allan will participate in the split of the loot.

The fishing appears to have improved considerably since that date. Last Saturday afternoon A. T. Kent landed a one pound Kamloops trout and another that tipped the scales at two and three-quarter pounds.

Herman Bremer spent four hours inticing the finners and it paid off in one white fish of two and a half pounds.

Vernon Arena To Get Face Lifting If Taxpayers Approve Money Bylaw

VERNON — Vernon arena commission chairman R. D. Douglas last night announced that a \$40,000 money bylaw, authorizing the borrowing of funds for improvements in the arena, would shortly be placed before the Vernon taxpayers.

Mr. Douglas said the bylaw would provide for the complete reconstruction of the south end of the arena, involving the building of a multi-purpose rotunda.

Commissioner Douglas said preliminary plans of the rotunda had been prepared by manager Herb Phillips (and earlier this week, City Engineer F. G. de Wolf described the plans as "excellent" during an interview with a Vernon News reporter) and sent to the City Council for approval. He said he believed the aldermen would give their blessing to the project bylaw.

The rotunda, which will completely change the face of the south end of the arena, will include space for concessions, rest rooms, offices and will allow the construction of additional seats around the rink.

Outside of the arena, if the taxpayers approve the bylaw, a canopy will be constructed to give shelter to fans who form queues to buy tickets.

In addition to the bylaw, the commission has \$4,000 in hand to spend on arena improvement, funds granted by the Council in

its 1954 estimates. That money, Commissioner Douglas said, would be spent principally on painting of the arena's interior.

Replacement of refrigeration pipes is not being considered by the commission for inclusion in this year's plans, although the work has been stated in the past to be already overdue.

Installation of new pipes would cost in the neighborhood of \$18,000.

Les Edwards renewed old friendships at the ball game on Sunday. Nick Tomluk and George DeFolice, of the Sudbury Wolves, looked up Les in the stands to recall a few years back when they hung around the ball park at Timmins, Ontario, where Penticton's Mr. Baseball coached the semi-pro club.

A giraffe can run at more than 30 miles an hour.

Local Juniors Win 6-4 Sunday At Summerland

Paced by Richard Getz' fine work on the mound, the strengthened junior baseball club defeated Summerland on their home grounds, 6-4 on Sunday afternoon. Getz struck out 16 Summerland batters, twice he struck out the first three to come up to bat in a row.

Penticton took a 2 run lead in the second inning, when Digiovanni hit a home run, followed by another run, when Tomlin brought Getz home on a two bagger.

The Penticton club never looked back after that. The Summerland team threatened in the fifth, when they had three men on bases with none out, but they had to settle for one run, when Penticton infield tightened up to squelch this rally.

Richards started the seventh inning off with Penticton's second home run of the day.

The game was closely fought throughout, and the fine team effort of every member of the Penticton club was inspiring. A couple of injuries occurred in the seventh inning, when a high pop fly by Cornish, of the Summerland team, found both Hammett, the Penticton catcher, and Yakima, the first baseman, running full tilt into each other.

Hammett was out cold for a few minutes, and suffered a badly bruised mouth and eye, while Yakima had a bad cut over his eye.

Summerland threatened on their last time at bat, when one of the two errors committed by the Penticton club had Getz make a bad throw to second base in trying to catch the runner. Tomlin couldn't make the catch, and Summerland brought in a run and moved the tieing runs to second and third.

Getz then turned around and struck out the last batter to finish the game, and give the juniors their first win of the season.

If the boys can pull together the way they did this last game, Penticton will have a junior team right up there when playoff time comes around, say team officials.

Batteries — Penticton, Getz and Hammett; Summerland, Bonthoux and Parker.

Players — Penticton, Tomlin, Moore, Richards, May, Digiovanni, Castron, Eaton; subs, Yakima, Coulter, Garnet.

Summerland — Cornish, Brake, Hackman, Pholman, Campbell, Ward, Doumont.

Oliver Makes Good On Summerland's Wild Chuckers For 9-5 Win Sunday

OLIVER — Capitalizing on the wildness of pitchers Gould and Eyre, the Oliver Baseball club turned back the visiting Summerland nine on Sunday by a 9-5 margin for their third win in four league starts. Gould never did get a man out in the first inning and was relieved by Eyre after passing the first three men to face him.

Oliver followed with a fly to left field by Bay, which Borton dropped for a two-run error. Vanderburgh scratched a hit off the shortstop's glove to score another. Coy hit into a double play but scored Bay.

This four run lead held up until the fourth inning. Radles, who started for the home team, was being hit freely but stayed out of serious trouble until the fourth. Then Hooker opened with a single. Gould walked, Alkins forced Hooker at third on an attempted sacrifice. Daryl Weitzel singled home one run and B. Weitzel scored one more with a clean double over third base. Kato grounded to Bay who threw low to home on an attempt to get D. Weitzel, who scored. A moment later B. Weitzel was tagged out at the plate on a close play on an attempted theft of home. Pinch-hitter Egli drew a base on balls and Eyre singled home another run before Taylor popped out to end the inning.

This tied the score and there was no more scoring until the last two innings. Snider replaced Radles in the sixth, the latter having given up 10 hits in the five innings worked. Snider gave way to Sibson after pitching to the first man in the ninth.

The Oliver team finally got to Eyre in the eighth to salt the game away. Vanderburgh drew a free pass. Coy came through with a single over shortstop and Weeks hit a long one to centre field for three bases to score both. Leask grounded to the pitcher and Radles was out at first as Weeks scampered home. Bases on balls to Sibson and Fritz were costly to Eyre as Snider slammed out a double to score both.

That was all for Eyre. Hooker took over. Bay was safe on Kato's error. Bay stole second base but Snider was out at the plate on the return throw to end the inning. This left Oliver leading 9-5. In the ninth Eyre walked but was forced at second by Taylor. Fritz threw the relay away and Taylor took second on the error. Hooker grounded out as Eyre went to third. Selgrist scratched a hit off Vanderburgh's glove to score him but Alkins flew out to end the game.

For Oliver Leask and Vanderburgh each had two hits while Weeks hit a triple and Snider a double. Eyre was the big hitter for Summerland with two singles and a triple. Alkins and D. Weitzel each had two safeties.

Umpires — Byers, Bastian.

Reports To ARA On Ribbon Road Development Bill
J. L. Kinneard, of Vancouver, secretary-manager of the Automotive Retailers' Association, reported on the ribbon road development bill, when local members of the ARA met at the Hotel Prince Charles last night. The bill is designed to curtail development of businesses along designated highways.

Mr. Kinneard revealed that there are now approximately 1,100 members of the association in British Columbia.

Fire Chief Gives Do's And Don'ts On Cleanup Time

"If you don't need it, don't keep it," says Fire Chief Merv Foreman, commenting on the current Jaycee cleanup campaign.

Attic and basement should receive the same careful attention as the rest of the house to ensure greatest fire protection, he continued.

The Fire Chief reminds householders to clean out paint rags and all oily material after the painting job is completed for they are a common cause of spontaneous combustion.

Part of the cleanup program around the house should include either the repair or discard of worn electric cords and appliances which are another fire hazard, he emphasized.

"When burning up that rubbish," said Mr. Foreman, "don't let children play with the fire and unless you teach the child the danger of fire, you may lose the home you have just finished cleaning up."

The Fire Chief strongly advised against using gasoline for any cleanup job and in closing reminds householders that "that empty lot of yours is your responsibility — keep it clean."

Initial reading to the new meat inspection bylaw was given at Monday night's council meeting, but it was agreed that some recommendations from the city solicitor will be considered before final reading is given.

Council Writes Off \$289 In Bad Debts

Council agreed at Monday's meeting to write off \$289 in various accounts "of doubtful value from a collection point of view." Some of these represented items dating back as far as 1947, and

covered matters charged to residents or taxpayers where the matter of actual liability was doubtful, while some of the items were old accounts receivable charged against persons no longer resident here, whose whereabouts is a matter of uncertainty.

Pinch Hitter For MLA Speaks To Trade Boards

Charles Bantock, secretary-manager of the B.C. Chamber of Commerce addressed the quarterly meeting of the Associated Boards of Trade of the southern interior, briefly on Thursday night.

In introducing Mr. Bantock, W. C. Pearson, president of the association said that the visitor was a "pinch hit" speaker, who could take the place of Frank Richter, Similkameen MLA, whose recent illness had prevented his attendance.

Mr. Bantock made excellent use of the few minutes he was allotted to point out the many behind-the-scenes activities being carried on by both the B.C. Chamber, and the Canadian Chamber of Commerce. He said that the president of the latter, a British Columbia man, was recently speaking on the same platform as President Eisenhower of the U.S., when both were addressing a gathering of the United States Chamber of Commerce.

Many of the men at the head of both groups are giving unstintingly of their time and effort both in furthering the development of Canada and British Columbia, and in furthering the free-enterprise ideals of the organization, as well as aiding in solving, as far as possible, many other problems that were placed before them.

Mr. Bantock spoke of the arrangements being made for the visit to be made to Kitimat by the Duke of Edinburgh, adding that officials of the Canadian Chamber of Commerce would accompany the Duke of Edinburgh on the trip.

Interior Life Underwriters Hold Convention Here On Saturday

Successful Concert By Festival Winners

A delightful musical evening was given by successful contestants of the Okanagan Valley Musical Festival at Penticton United Church, on May 4.

Although some were unable to perform because of sickness, the concert was an enjoyable success and many expressed their pride in the excellent talent not only in the musical field but in conductors, accompanists and soloists.

Takes Long Joyride, Gets Trip To Jail

An 18-year-old Rutland youth, Gerald Leroy Ehrmann, was sentenced to six months' definite and six months' indeterminate on a theft by conversion charge when he appeared before Magistrate G. A. McLelland, last week.

He took an automobile from a local garage on a pretext of buying it, drove to the coast and later to Kamloops where he was apprehended.

A 16-year-old juvenile companion was placed on probation for one year.

The actual procedure of inoculation and immunization are no more painful to a child than an ordinary pinprick. The reaction may be a little local swelling. But the result is effective immunity from one or more of the dangerous communicable diseases.

Regional convention of the B.C. Interior Life Underwriters Association of Canada will be held aboard the SS Sicamous in Penticton on Saturday.

Members from all points in the Okanagan and north and south Kootenays will be in attendance.

The Penticton group will be hosts under the leadership of local president Allan E. Mather.

Three speakers will be heard. John M. Utter, district manager of the Equitable Life of Iowa, Seattle, Washington, will talk on "Knowledge." H. T. Griffiths, CLU, Confederation Life Association, Vancouver, will discuss "Sales Ideas" and Alex W. Lingard, secretary of the Life Underwriters Association of Canada, from Toronto, will talk on "Inspiration."

John M. Utter entered the life insurance business in the fall of 1929, joining the Seattle agency of the Equitable Life of Iowa, at the age of 27. He has produced at least one application every week from the time he entered the business, and now has 1,236 consecutive weeks. He is a Life Member of the Million Dollar Round Table. During the year 1949 he led the Equitable Life of Iowa among all salesmen in the United States, and is always among the leaders. He writes a high quality business, about evenly divided between estate programming and business insurance. He does no pension trust business at all, and his average policy is over \$15,000. He has written numerous articles for insurance publications, and has spoken to many sales congresses and conventions.

Division Manager for the B.C. Mainland branch of the Confederation Life, Mr. Griffiths has seen his branch head the Confederation Life organization. In 1932 he joined the Confederation Life as a representative at Penticton, where for 8 1/2 years he wrote at least one application a week. Proving his ability in the field, he was transferred to Edmonton as manager of Alberta-North division in 1941. He became Assistant Superintendent of Agencies in 1948, and a year later was appointed Superintendent of Agencies, responsible for Western Canada divisions, as well as a number of branches in Ontario. In December, 1952, he returned to British Columbia to become Divisional Manager for B.C. Mainland, the position he now holds.

Alex Lingard joined the staff of the Life Underwriters Association in 1939. He enlisted in the Canadian Army in 1941, and served overseas in the northwest theatre of operations, from 1942 to 1946. On his return to Canada in the fall of 1946 he rejoined the Association's staff. In 1948 he was appointed Office Manager, and in 1950 was named Acting Secretary. He became Secretary of the Association in January of 1951. Active in his community's affairs, he is Immediate Past President of his local Homeowners Association, and Chairman of its Recreation Committee. He is a member of the Canadian Legion and the Red Cross Society. Having visited with local Associations in Manitoba and Saskatchewan last spring, he now appears on convention programs in Alberta and British Columbia, speaking on some of the problems which face the Association today, and which may confront it in future years.

If commercially pasteurized milk is not readily obtainable, pasteurization may be done at home by heating the raw milk to a temperature of 140 degrees F., maintaining it at that heat for 30 minutes, and then cooling quickly.

INDO-CHINA TOPICAL SUBJECT OF ROTARY CLUB ADDRESS HERE

Indo-China, very much in the news these days, was the interesting theme reviewed by W. C. Braidwood of Nanamata, when he spoke to the Rotary Club here on Monday.

That area's economy, he stressed, is complementary to that of western Europe, and "some drastic reaction" from the so-called western powers can be reasonably expected, if events continue as they have been in Asia.

The acquisition of Indo-China's resources, on the other hand, was given by Mr. Braidwood as a "decided strengthening to Communist economy."

For the Communist bloc to get plentiful supply of exportable food, principally rice, will be to give it great influence indeed in that part of the world.

Reviewing a trip he made there in 1940, the speaker said that the French policy had obviously been to allow no other exports in, and restrict trade to themselves. The result was little or no industrial development in that colony. Goods might have been cheaper, through less freight charges, and might have been designed more fittingly to meet requirements of people in that part of the world, but for this tariff policy.

Yet the French built good roads and devised a good public health system for the built-up towns.

Game abounds, the speaker pointed out, but not everyone is energetic.

Mr. Braidwood discovered that business is transacted from about 7:30 o'clock in the morning until 1:30. The "lunch" break then goes on until 2 p.m. Business resumes until 6:30 or 7 p.m.

"I found it all very frustrating," he confessed.

The most entertaining feature of the address was in small anecdotes that gave brief but lively aspects of life there.

For example, it was the only place he ever lost a hat.

"You must remember that there, or elsewhere in many parts of the Orient, it is dangerous to stop in traffic—at least dangerous for your hat. A hat will swoop down, steal that hat, and the thief will quickly disappear."

The French have not been fighting for just the past few years, the speaker also stressed. When he was there, fourteen years ago, the French were opposing both the Japanese and rebels.

The old oil lamp is still standard lighting equipment in many cottages and on many farms. They can be a dangerous fire hazard unless care is taken to prevent accidents. Don't place the wall or hanging type where it can burn wall or ceiling. Don't keep a lighted lamp on a table where there is danger of it being knocked or pulled over.

The library of the British Museum in London has more than 46 miles of book shelves.

Jaycees Launch Annual Spring City Beautification Campaign

The annual drive by the Junior Chamber of Commerce to beautify Penticton swung into high gear last week with an enthusiastic program designed to stir up increased interest among home owners to "clean up, paint up and plant up."

Part of the program usually takes in refacing of the huge "Penticton" sign on Munson's Mountain with white silica rock. This year that will not be necessary, but before the Jaycee convention later this month a little work will be done to freshen it up.

A major undertaking of the campaign is the rubbish collection. For four days of next week, Monday, Tuesday, Wednesday and Thursday, crews and trucks will cover the city removing junk and rubbish that has been collecting in basements and attics throughout the year. Jaycees have worked out arrangements with the city engineer's department to have sufficient equipment made available, and private firms may be called upon for the loan of more vehicles.

Under the direction of committee chairman Don Booth, the clean up crews will comb four city areas to carry off the junk. Residents are asked to leave in front of their homes during the campaign period.

Monday the trucks will cover an area west of Main street and north of Eckhardt avenue west; Tuesday they will cover the area south of Eckhardt avenue and west of Main street; Wednesday the trucks will cover an area east of Main street and north of Eckhardt avenue east and on Thursday the area south of Eckhardt avenue and east of Main street will be covered.

ANNUAL JAYCEE "PAINT-UP, Clean-Up" campaign started with a splash last week as members of the local unit donned overalls and armed themselves with paint brushes to donate a complete decorating job to the home of Mrs. D. E. Thompson, 424 Heales Avenue. Pictured above, left to right, are Eric Larsen, Jaycee president; Wally Thorpe, on ladder; Vance Hull, vice-president. Standing in front is Don Booth, chairman of the "Paint-Up, Clean-Up" committee. Elsewhere in this week's issue of the Herald will be found a map and information regarding free garbage pickup.

PENTICTON FIRE DEPARTMENT

Paint Provides Magic Wand For Spring Indoors

Look around you... your house probably seems drab and dull, as though a gray shade has been pulled down over its gay interior.

Now is the time to wave a magic color wand over the four walls of your home, and, with very little encouragement, you can entice Spring indoors!

The recipe is simple: take a dash of imagination and mix well with quantities of elbow grease!

Color will serve you well... from floor to ceiling, lovely decorator's colors paint a new and brighter picture. The newest paints are beautiful and you can use them without further mixing. Gone are the tedious days of mixing a little red... a little blue... or perhaps a touch of burnt sienna? You actually see the colors you desire... and, best of all, they dry just as lovely as they are shown on the painter's sample card.

Second only to colorful paints are "new" slip-covers — spring-minded in mood, budget-minded in price.

For the woman who can only gaze in numb despair at a needle, there are ready-made, handsome slip-covers, designed to fit practically any sofa or chair. Gay and colorful, they are carried in all better stores, and lift the weariest furniture right out of its winter doldrums.

And, beautiful fabrics that are actually springtime by the yard, come in bonbon colors, in gay plaids, in bold stripes, in flower-prints, in cottons and rayons — all to purchase inexpensively with a wise eye to co-ordinated planning of colorful rooms.

These fabrics are a happy choice for the woman who is handy with a needle and master of the sewing machine. Now, prettiest spring fabrics, from cloths to glazed chintz, have a rare affinity to soap and water, and are impervious to sunlight, keeping their crisp, bright air through many seasons to come. And, for the head of the household who knows which end of the hammer to use, Spring is for rebuilding and repairing. It is a time to create things — like making book shelves out of orange crates or refashioning an old table so that it glows with new life.

The yard comes in for a Spring look too. The smell of the rich earth... the warmth of the sun... the good physical tiredness that comes from working outdoors all contribute to health and happiness.

Amateur gardeners bloom everywhere in the Spring. Seeds and bulbs now are so wonderful, so full of zip and vitamins, they defy even the rankest beginner to doubt that will to survive.

Don't Burn Dead Grass, Leaves; Good Plant Food

Dead leaves and dead grass make excellent compost. If heaped and watered down. Too many people burn the rubbish which they rake up in the spring instead of putting it to good use as plant food.

Plants are like humans, they need food.

When you do your spring digging, dig deep and turn compost or fertilizer into the soil. Tramp down the soil and rake over it.

When you are planting seed, make a shallow furrow with the handle of the rake. Sow the seed and cover lightly, then tramp down with the back of the rake.

For lawns a spring raking with a metal rake followed by a bamboo rake.

This will remove the dead grass which tends to build up and become spongy, thus making the lawn difficult to mow.

Next set the mower blades down and cut the grass closely then apply fertilizer. Some people prefer to use sulphate of ammonia which produces a strong green growth. Other commercial

Containers Necessary For J.C. Free Pick-Up

The Jaycees wish to impress on the householders that only garbage and general refuse placed in containers at the front of the property will be picked up. This co-operation is urged due to the fact that the city, while supplying trucks and drivers, are unable to provide labor and the Jaycees have had to hire help.

The annual clean-up campaign is planned to benefit not only the Penticton home owner by carrying away accumulated debris not usually handled by the normal garbage collection system, but also gives the tourist a sight of clean yards and boulevards... an invitation to stay in town a little longer, and to plan next year.

fertilizers have also proved successful.

Before applying the sulphate make sure the grass is dry or the chemical will adhere to the vegetation and will burn. Grass should be suitable for the application any time after noon.

Leave the lawn for a few days before watering to get the best effect.

HERE! MARTIN-SENOUR

Self-Cleansing White HOUSE PAINT

WASHES ITSELF... STAYS WHITER YEARS LONGER

Now—an outside white paint that actually washes itself... sheds all dirt, stains and soot each time it rains... stays crisp, white and clean for years longer!

THE SECRET IS IN "CONTROLLED CHALKING" Martin-Senour's "Controlled Chalking" permits a minute quantity of "chalk" to wash off with each rainfall, carrying all dirt and stains with it, leaving a completely fresh, bright surface! Chalking is so controlled that Martin-Senour "100% Pure" Exterior White actually outlasts ordinary paint by as much as three years!

Because there is no cracking, checking or flaking—no crevices for water to seep in—woodwork is completely protected for the full life of the paint!

FULL RANGE OF BEAUTIFUL COLORS

In addition to "100% Pure" self-cleansing white, Martin-Senour offers colors to cast your home in any character... shades to match every motif. Also a complete range of permanent contrasting trim colors.

MARTIN-SENOUR PAINTS • VARNISHES • ENAMELS

Mc & Mc In Penticton HEADQUARTERS FOR

Miracle finish for kitchen, bathrooms, finest woodwork. Dries in 3 to 4 hours to a super-tough plasticlike finish that looks, wears and washes like baked enamel.

The oil and resin finish that actually mixes with water! One coat covers most surfaces, dries in 1 hour, leaves no painty odor. Many gorgeous colors—all washable!

ASSOCIATED BOARDS OF TRADE DEBATE GROWERS' AID REQUEST

Some difference about the wisdom of seeking federal aid for growers hit by the recent hard frosts, was voiced at the dinner meeting of the Associated Boards of Trade of the Southern Interior. However, it was finally agreed that the secretary, S. B. Hirtle, should get in touch with A. R. Garrish, president of the BCFGA and offer moral support in the growers' efforts to obtain relief from possible financial pressure.

W. C. Pearson, president of the association, said that although the full impact of the loss would not be known for another five or six weeks, at least, still it was apparently severe enough that some steps appeared advisable now, in order to cushion the weight of the blow later. It would take some time to get action, he indicated.

"We had hoped that this would be one of our better years and ten days ago things looked very good. Then came the frost and the damage is so severe that A. R. Garrish, president of the BCFGA has wired Ottawa." Text of the Herald was then read. "I think this is something this association should follow up," Mr. Pearson added.

J. East and A. Manery endorsed the suggestion of the president saying the organization should support the move made by the fruit group head.

Edgar Dewdney, president of the Penticton Board wanted to know what was meant by the term "estimated credit needed", and said he considered that the association should have more facts to go on before backing the idea.

Lorne Perry, of Summerland, supported this view, saying that there is already the Farm Loan Board in existence, that might be used for the purpose.

Mr. Pearson explained that there is apparently need for some other form of aid in the present emergency, to enable growers to "hang on" and to carry out essential orchard work in instances where there would be no crop earning but where costs of keeping an orchard sprayed, irrigated and in top condition for future production would continue at the same level as if the acreage was producing fully.

Some of those present advanced the view that there had been too much "seeking aid" from the government, and that there should be a greater tendency to stand on their own feet. But all agreed that the immediate problem was as had been outlined by Mr. Pearson, and endorsed the move to work co-operatively with Mr. Garrish in the effort.

Notable Speakers For J.C. Convention

Principal speakers at Junior Chamber of Commerce B.C. convention here May 27, 28 and 29 are Hon. H. H. Stevens, Vancouver, and Don Mackay, Calgary. About 300 delegates and their wives are expected. Ivor Haddleton, chairman of the convention committee, told Jaycees at their regular meeting aboard SS Sicamous, last Thursday night.

Glen Lawrence reported on the recent visit to Wenatchee of Peach Festival Queen-elect, Miss Ardell Getz, where she rode in the float built by the local club. Report on the cleanup campaign which gets underway May 17 was given by Bill Gilmour.

Suit of the month club award went to J. Havens, West Summerland. All proceeds from this effort go to expenses for the forthcoming convention.

Howard Callaghan is in charge of Munson's Mountain project this year and a weed-killing spray program on the mountain is planned.

Next meeting, May 20, will be "bosses night" with Jaycee members inviting their employers to attend. Chairman of last Thursday's meeting was vice-president, Vance Hull.

Years ago, hundreds of children died during widespread diphtheria epidemics. Today's practice of immunization has drastically reduced the number of diphtheria cases and has made death from the disease an infrequent and inexcusable tragedy.

Spruce makes the best pulpwood.

Canada's Finest Quality House Paint

NO SECOND COAT NEEDED WITH SOLO-COAT WHITE

2 COAT PAINTING WITH 1 BRUSH STROKE!

This new super quality house paint easily and completely covers most old painted surfaces in ONE COAT instead of the conventional two. That's because SOLO-COAT WHITE has double the hiding pigment—the second coat is actually "built-in" to SOLO-COAT'S One-Coat beauty. Yes, you save time, you save money with SOLO-COAT'S premium quality, because no second coat is needed!

- Plus THESE EXTRA ADVANTAGES!**
- 1. TREATED WITH SPECIAL TONER**
SOLO-COAT White is toned to give a warm radiance, mellow reflection and depth that puts ordinary glaring white house paints twenty years behind the times.
 - 2. ALKYD FORTIFIED**
Solo-Coat White contains Alkyd Resin, the ingredient that gives outstanding wear-and-water resistance. Alkyd actually protects your investment in SOLO-COAT White and it makes SOLO-COAT White a snap to put on—so smooth, so free of brush marks, laps, runs, sags.
 - 3. LONGER LIFE**
SOLO-COAT White gives extraordinary durability. Yes, one coat of SOLO-COAT White is the equal of other prescribed exterior painting methods that call for 1 coat of under-coat and one or more coats of the finish. SOLO-COAT White goes on easily—a beautiful glowing white that stays white for year after year.
 - 4. SELF CLEANSING**
SOLO-COAT White actually welcomes dirty weather because each rain fall leaves it cleaner and fresher looking. Instead of becoming imbedded in the paint film, dirt and dust are simply washed away.

Building Queries

Question: I often run into the term tenpenny nail or eight penny nail or so on when reading about some home handyman project. Is there some quick way of determining the size of a nail by the penny designation?

Answer: We don't know whether you would call it a quick way, but here's one method. Start by remembering that a two penny nail is one inch long. From that point on, every jump of 2 sizes equals half an inch for instance, a twopenny nail is one inch, a fourpenny nail is one and a half, a sixpenny nail is two inches, an eightpenny nail is two and one half inches, and a tenpenny nail is three inches. For home projects you should not have to worry about sizes larger than that. We'll explain that again: A twopenny nail is one inch long. Every jump of two sizes equals half an inch up to and including, tenpenny nails. In the very large sizes, not generally used in the home, that method of figuring does not hold true. Incidentally, we're not going to attempt to explain where the penny designations originated, because there are at least four different versions.

The crown colony of British Guiana, only British territory in South America, produces large quantities of bauxite.

NHA SMALL HOUSE DESIGNS

This smartly styled three-bedroom bungalow lends itself particularly to a sloping lot. Architects Venchiarutti & Venchiarutti, of Toronto, have achieved a distinctive exterior appearance through the use of full length windows at the front of the house and a planting area bordering the wide walk leading to the entrance.

One of the long windows provides side-lighting for the front entrance, another gives natural light to the basement stairway while three others are combined to make one large window in the living room.

A hallway separates the living and sleeping areas. The large kitchen with its U-shaped working area has space for dining and the flower box below the window adds a cheerful note. A side entrance leads directly to the basement while the front entrance is handy to both kitchen and living room.

The total floor area of the house is 980 square feet while the cubic measurement is 19,600 cubic feet. The exterior dimensions are 35 feet by 28 feet. Working drawings for this house, known as Design 242, are available from Central Mortgage and Housing Corporation at minimum cost.

New Antibiotic Controls Ailment That Makes Bees Dull, Listless

Some folks may be surprised to learn that any bees are listless and dull. However, that is the way it is, although the day of the lazy bee is said to be ending. The information comes from insect specialist Roland Portman of the University of Idaho. And the information reports an ailment called nosema, which puts the lie to the saying, "as busy as a bee."

Portman declares the ailment is controllable by a new antibiotic known as fumagillin. It works against listlessness, dullness and weakness in bees by attacking the organism that causes nosema. The drug is administered in the bees' regular feed.

The fumagillin antibiotic is packaged in lots suitable for treating from one to a large number of bee colonies.

NOSEMA COMMON
The bee map names nosema as the commonest cause of trouble in establishing productive colonies from package bees. It is a widespread sickness and reduces the production of all classes of bees. Portman describes infected colonies as having less brood and slowing low rates of buildup. But fumagillin does away with that. The bees do not even know they are getting the drug. The first thing they know, they are all over their own brand of spring fever and are working like well, working like the proverbial bees.

Whenever roof decking is exposed to weather such as fits on the underside of eaves a good material for the exposed decking is waterproof glue Douglas fir plywood.

Awnings Made Of Aluminum

Aluminum, the "Miracle Metal" has gone and done it again!

Now - it has gone into (of all things) awnings! Awnings that stay spanking new-looking all year long - awnings that require little attention - awnings that once put up, are up to stay! The use of aluminum in awnings adds years and years to their life. Rain and wind do not whip them to pieces, as happens with canvas types - and their color designs can be brought back to vivid newness with a coat of paint.

MAINTENANCE IS SIMPLE
Made of aircraft aluminum, they do not rust, rot, tear sag or burn. They provide constant protection from the sun and rain in summer; and the window frames and sills are protected against damage by winter snow, ice, sleet and hail.

All sizes and styles are available - for porch, patio, windows, breezeways and doorways.

A small lettering pen of the kind used by artists makes an excellent oil applicator on small work and for hard-to-reach places. The oil is put in the pen, with the point touched lightly to the desired spot. When finished with it, the pen should be placed either on a flat surface or hung with the pen point toward the ceiling. This will prevent leakage. The oil will keep indefinitely in the pen reservoir.

When remodeling attic or basement, fir plywood should be ordered by panels. Standard fir plywood panels cover 32 square feet. To arrive at the required number of panels, divide the total square feet of wall area to be covered by 32.

Phenomenal growth in acceptance of B.C. fir plywood as a building material is reflected in production figures which show total 1945 production of 204 million square feet had jumped to 580 million square feet by 1953. Ninety-five percent of Douglas fir plywood production is sold in Canada.

FIRST home owners in a town expected to reach 50,000 within a few years are Mr. and Mrs. Charles Pelletier. Their home is at the permanent townsite of Kitimat, B.C., where a vast aluminum power development is making civilization out of wilderness. Plans for the town include the building of close to 500 homes this summer.

Prune Shivel Still A Puzzling Problem

A committee of the Okanagan Agricultural Club consisting of agricultural officials of the Dominion and Provincial services has been working on the problem of why 40 percent of the 1953 Italian prune crop shrivelled. To date no answer has been found for this baffling problem.

The possibility of the disorder being due to low temperatures at or around blossom time has been suggested and as a check on this samples of both normal and shrivelled prunes were taken from a number of sources throughout the Okanagan. The pits of these prunes were cracked and the seeds within them examined. No significant differences could be found either by examination or by weighing. Germination tests were also started. These tests are not yet complete.

A great many suggestions have been received as to the probable cause of the disorder and the committee is working on a number of the more promising ideas. At a meeting held early in April the committee discussed plans for the coming summer and laid down a program as follows:

(1) Shrivelling is often associated with a restriction of the flow of plant food and water into the fruit. This could be caused by an early development of corky tissue at the abscission layer of the fruit stem. Various hormone substances have been developed which delay the formation of corky tissue in the fruit stem and prolonged the tree life of the fruit. These are known as "Stop Drop" sprays. It is proposed to spray prune trees with these hormone substances and to observe the amount of shrivel on these trees as against unsprayed trees.

(2) Observations have been made which seem to indicate that a large percentage of the shrivelled prunes were rather poorly attached to the tree. In fact, many growers were able to sort normal from shrivelled prunes by the simple expedient of shaking the trees before picking. Most of the shrivelled prunes

would fall to the ground when a light shaking was given. In order to study this aspect more carefully, microscopic examination will be made of the tissue surrounding the area where the stem attaches to the fruit of the prune. This study will be started early in the season to determine the first period at which abnormal conditions are apparent.

(3) As a follow-up of the low temperature studies already described small bearing trees are to be transplanted into tubs and placed in cold storage at or near their blossoming time. Fruit from similar trees transplanted to tubs but not subjected to low temperatures.

(4) Certain areas of the province did not report prune shrivelling in 1953. Climate records will be looked up in these areas in an effort to see whether climatic differences occurring are responsible for immunity to shrivel.

(5) Case histories of individual prune trees are to be taken from year to year in order to establish a more accurate pattern of prune shrivel behavior.

District Forest Ranger Asks Help From Sportsmen

OLIVER — Emery L. Scott, district forest ranger from Penticton was guest speaker at the May meeting of the South Okanagan Sportsmen's Association held Friday night. Following showing of a film on reforestation work in British Columbia, Mr. Scott asked sportsmen to help with fire control by warning motorists whom they observed throwing cigarettes from cars. He pointed out that a cigarette thrown into the middle of the road would be swept to the side by the air turbulence caused by the passage of the car. Couch grass along the sides of the roads has been tinder dry.

Sportsmen, especially are in a position to help by reporting fires promptly, and by extinguishing small blazes that are within their control.

The association has been able to purchase cheaply a large quantity of small mesh cotton fish net which will be used to catch day pigeons at the fall shoots. On vote of the meeting a quantity of this net was donated to the Oliver Bull Club.

Clayton Ripley, Abe Brown and Bill Kreller reported on the convention at Revelstoke which they had attended.

Mr. Ripley also reported that he had managed to bury the dead cow whose presence in the Sportsmen's Bowl was becoming a little obvious as the warm weather advanced.

The unauthorized use of the association boats on some of the fishing lakes was discussed, and tabled for further action.

The question of flooding forest land by dams without adequate clearing was raised, and the opinion of Mr. Scott asked. He stated that although he greatly deplored this practice, at present nothing could be done about it.

WINDSHIELD and WINDOW TOOL

for removing ICE, SLEET, SNOW, FROST, FOG and WATER.

The TWO CO SURFACE SCRAPER has a dual purpose scraping and wiping blade key-locked into a strong, easy-to-grip handle. It will weather-condition the windows in your home or on your car in any kind of weather without scratching the glass. The tough, fast ice and sleet chip away like magic with the hard scraper edge — steam and fog fade away from the soft rubber squeegee side of the blade. For greater safety and driving visibility, carry one in your car summer and winter.

For best \$1.00 value, you can spend for car and home send \$1.00 to

V's Have Given Penticton Its Biggest Boost Former Resident Says: Amazed At Changes Here

The V's have given their home city of Penticton the biggest boost it ever got.

Such is the verdict of a Penticton old-timer, W. C. "Bill" Impett, now of West Vancouver, who re-visited this centre last week only to be "utterly surprised" by the changes he noted.

"It's just one thing after another," he told the Herald, on which he served as an apprentice in 1910 to 1914. "We hear about Penticton in some way or another all the time. It used to be that we thought of Kelowna as having the liveliest public spirit in the valley. But now the consensus of opinion is that Penticton has taken over that honor." More than in any other way, he repeated, the V's hockey team has taken the general spotlight.

Mr. Impett went overseas in the first World War with the 30th B.C. Horse, and was back with the Herald in 1919. Then he entered the fruit game, and was manager of the Occidental Fruit Company until 1936. He organized and started the Gyo Club here, served as vice-president of the board of trade, and was an almost continuous arranger of the annual Dominion Day celebrations.

"In all this, though," Mr. Impett warns, "don't forget that your fruit grower is still the backbone of your economy — the tourists, and the V's, and everything else to the contrary."

Mr. Impett doesn't undervalue tourist trade either. He's now the manager of a well-known motel in West Vancouver.

Kereimos Baby Dies At Age Of Two Months

An infant child, Patricia Overton, daughter of Mr. and Mrs. Frank Overton of Kereimos, passed away last Wednesday at the age of two months.

She leaves besides her father and mother her grandparents, Mr. and Mrs. Cripps, Big Lake, B.C.; Mrs. Hilda Overton, Williams Lake; great-grandparents Mr. and Mrs. Frank Gibbs, Kereimos and Mrs. Neville Overton, Penticton.

Funeral services were held in Kereimos United Church last Friday. Rev. L. L. Schuetz officiating with committal at Kereimos Cemetery. Penticton Funeral Chapel in charge of arrangements.

INCONVENIENCE REGRETTED

Regrets that residents had been inconvenienced through the extended stoppage of traffic by one of its trains were voiced in a letter from the CPR to Penticton council, read at Monday night's meeting. The letter said that the occurrence was "due to unusual circumstances," and that every effort would be made to avoid a recurrence.

The United States completed its first transcontinental railway in 1869; Canada in 1885.

Here's Why We're Proud of "Super 88" and "Super 98" Gasolines

This chart indicates the performance increase in P.M. gasoline. Following the latest in catalytic refining techniques, the Super 88 and Super 98 gasolines have the highest octane ratings in the world.

THE BRITISH AMERICAN OIL COMPANY LIMITED
The Largest Oil Company Owned by Canadians

Top Rated 88 and 98 Gasolines were an instant success. The quality was proved and they won great acceptance with hundreds of thousands of Canadian motorists. With the introduction of new, improved "Super 88" and "Super 98", a new standard of gasoline quality is born. No other gasolines give you more power, more mileage, greater economy. Try a tankful—you can't buy better gasolines.

VOL. XLIV.—No. 19

PENTICTON, B.C., WEDNESDAY, MAY 12, 1954

OF
CABBAGES
And
KINGS
by
Vince Duggan

One day last week I had the pleasure of saying, "Don, this is your Uncle Ben," and that casual introduction carries with it a story that goes to prove that it's a small world after all. Don is Don Mackintosh, sports editor of the Sudbury Star and Ben is Ben Quinn, 48 Edna Ave. Neither Don nor Ben knew that both were in Penticton until Don's mother who lives in Ottawa, informed them. And I had met both of them, hence the introduction. But that's only part of the story. Mr. Quinn then took Don up to meet his grandmother, a hale and hearty 84 years. She is Mrs. George Quinn and she served them with a birthday cake, then Don was introduced to a cousin, Mrs. Eva Watson. He didn't meet a second cousin, Mrs. Frank Hopkins, who is out of town. And to complete this tale, Don's father flew in from Vancouver for reunion with his son. So you see, Don was able to combine his reporting trip with a meeting of relatives that he didn't know lived in this part of the world.

FOR IZAAK WALTON'S

Mrs. Betty Hornall passes on some information that should be of interest to fishermen. She has received a letter from her cousin, Byron Klauke, a Pasadena fireman in which people are invited to join the National Anglers Fraternity. Idea behind the scheme is to advertise and make known fishing spots, all over the continent. The fee of \$3 covers subscription to a fishing magazine and a shoulder patch to distinguish all club members. As Mrs. Hornall says, and we agree, "it would be a wonderful job of publicizing the Okanagan as a fishing spot." Mr. Klauke's address is Azusa, California, Elliott Avenue South.

HISTORICAL PAPERS

Gerald Roe passes on a copy of the Montreal Daily Star for March 1, 1900, which headlines "Ladiesmith Relieved of the Be-leaguering Forces," and an earlier one of the Gazette, January 18, 1900, concerning the burial of General Wauchope. It contains some beautiful writing. "Then, once again, the pipes pealed out and 'Lochaber No More' cut through the stillness like a cry of pain until one could almost hear the widow in her Highland home moaning for the soldier she would welcome home no more," the article states. "Then as if touched by the magic of one thought, the soldiers turned their tear-damp eyes from the still form in the shallow grave towards where Cronie, the Lion of Africa, and his soldiers stood, then every cheek flushed crimson and strong jaws set like steel and the veins on the hands that clasped the rifle handles swelled almost to bursting with the fervor of the grip and that look from those silent armed men spoke more eloquently than ever spoke the tongues of warriors. First on each frowning face the spirit of vengeance darkened and each sparkling eye asked silently for blood. God help the Boers when next the Highland pibroch sounds, God rest the Boers' souls when the Highland bayonets charge, for neither death nor hell, nor things above nor things below will hold the Scots back from their blood feud. At the head of the grave, at the point nearest the enemy, the general was laid to sleep, his officers grouped around him, whilst the line behind him, his soldiers were laid in a double row wrapped in their blankets. No shots were fired over the dead men, resting so peacefully, only the salute was given, and then the men marched campwards, as the darkness of an African night rolled over the far stretching breadth of the veldt.

FALSE ALARM

Local firefighters went rushing one day last week to the vicinity of the CPR icehouse, badly damaged in a recent fire. A citizen had seen smoke billowing from the area and feared the building was ablaze again. But, as it turned out, some Indians were burning brush nearby. Sort of a case of hoop big

LITTLE
IOPINE
By Jimmy
HATLOSimilkameen River Eats Soil,
Cawston Fears A Major Flood

Threat of floods that might tear through the entire community of Cawston "on the flat" is worrying leaders of the district. With the run-off late, and heavy water content of snow that still remains in the upper reaches of the Similkameen watershed, they fear a repetition of the flood that inundated the district in 1948.

If this should occur, it would not only damage homes, stores, the community hall, and possibly the cannery, but would sweep through the new school, the residents stated. The present stream course is actually above the level of the lands on the flat, at the most strategic points.

DISCUSSED AT MEETINGS
This was briefly put to members of the Associated Boards of Trade of the Southern Interior, at the dinner meeting held there on Thursday, but as members were unsure if the problem could be placed on the agenda, there was no time given to its discussion. W. C. Pearson, president of the association, said that it could, as far as he was concerned, be freely discussed, and that it would, if agreed, find a place on the agenda of the next gathering of the association.

In a conference with leaders of the small community afterward, a Penticton Herald reporter learned that the stream has been eating away a few acres here and there along its banks for some time. Also that the river is now out of its real channel, and has swept into a new route during the past few run-offs.

It has left in its wake eroded gravel bars and shows a strong tendency to fill up its channel, whether it be the "proper" one, or one that it has cut in flood crest drive. The young men, many of them former residents of Penticton, smoke and no fire.

EXTRA
Our former mayor, W. A. Rathbun, peddled some papers on a street corner the other day. Mr. Rathbun had called at the Herald office to get some more copies of the Herald's hockey extra and as he stood on a corner, talking to a friend, sold two of them!

TO MR. BLACK
Here's greetings to H. W. "Harry" Black, formerly of Penticton and now health inspector for Sierra, Fill Island. Reason we know Mr. Black's address is because he subscribes to the Herald.

WHAT ABOUT THIS?
The Vancouver Sunday Sun, in its May 1, 1924 issue carried an article by H. L. Mencken, famous American satirist, entitled "Business Women are Monstrous." It reads, in part, as follows: "A home and rearing of children is the only career any woman should set her mind on. Woman's natural and material attitude toward life makes her incapable of becoming a real success in the business world."

This advertisement is not published or displayed by the Liquor Control Board or by the Government of British Columbia

Oliver will be the next meeting place of the Associated Boards of Trade, the group accepting the invitation of that community at Thursday's gathering. This next meeting will be held in August.

STAN GLADWELL AGAIN HEADS
SUMMERLAND SINGERS, PLAYERS

SUMMERLAND — Stan Gladwell will guide the activities of Summerland Singers and Players' club for another year in his energetic way. Mr. Gladwell was re-elected president at Tuesday's meeting. J. C. (Jack) Barkwill, associated with the club for many years, was made the first honorary president.

Vice-president is Charlie Renne, secretary, Miss Betty Green, and treasurer, A. K. Macleod. Blair Underwood will represent the Players' section of the executive, and Jack McDougald, the Singers' group.

The financial report was better than usual, showing \$300 more in the treasury than at this time last year. Cost of transportation is high in taking scenery etc., to other towns, and as is the case in most amateur theatricals, profits seem out of line with intake.

There is a possibility that "Ruddigore" will be presented this coming season, which would make eight of the nine major Gilbert and Sullivan operas to have been produced by the club year following year. W. A. (Bud) Steuart, musical director, does not think the group is ready to present the Gondoliers yet, because of the large number of principals required.

Of the minor operas it was thought that the Sorcerer and Trial by Jury could make up one evening's entertainment at some time.

Members from Penticton were present at the meeting.

Southern Trade Boards
Behind Penticton V's

Appreciation for the way in which the Penticton V's have advertised the Okanagan, and a loudly acclaimed "Go-V's-Go" to wish them success in the Allan Cup playoffs, was voiced at the dinner session of the Associated Boards of Trade of the Southern Interior, held in Cawston on Thursday night.

From the many expressions forthcoming from delegates from all over the region, it was evident that these board of trade members are ardent supporters of the Penticton team.

Bad Cheque Artist
Gets Nine Months

A native of Oklahoma, Richard Stevens, who asked, "Could I be sent to that sort of trade school idea you have in this country?" will spend the next nine months at Oakalla jail because he passed four bad cheques in Penticton.

Stevens was sentenced to nine months on one charge and two months each on the other three charges when he appeared before Magistrate G. A. McLelland, last Thursday. Other sentences are concurrent.

He came here by automobile and his car will be stored until his release from jail.

CANADA'S FAVOURITE BRAN FLAKES

Poplar Grove Sponsors Annual Blossom Dance

The gaily decorated and blossom-filled Community Hall at Poplar Grove was the scene recently of a happy gathering at the Annual Blossom Dance of the community. Despite the rather bleak and dark prospects outside, gloom was forgotten for the evening and some 60 couples enjoyed dancing to the rhythmic beat of the Okanagan Orchestra. About eleven o'clock, the reigning "Royal" party with Queen Margaret and Princesses Shirley and Eleanor were introduced to the gathering by Tom Walker, Peach Festival president, and after a few words of good wishes from the "Royal" party, Queen Margaret led off the dancing.

A midnight supper provided a pleasant break for the dancers and before dancing commenced again, Queen Margaret made the draw in the rowboat raffle, declaring R. Thompson, of Revelstoke, the fortunate winner. David Richard and Harry Shaw, Jr., were winners respectively of two miniature scale models of the rowboat.

The program was suited to most tastes, both oldtime and modern and with spot dances, some square dancing and even a little live on the side, everyone had a thoroughly good time.

Thanks are due to the "Royal" party for their gracious presence and to the dance committee who worked long and hard to make the evening the undoubted success it was.

Working With The Red Cross

QUILTING MRS. OSCAR ANDERSON MRS. JULIA NICHOLSON

Four years ago an appeal went out from the Red Cross here to the women of Penticton, asking for help in forming quilting groups.

Of the women that answered the call, five are still there: Mrs. J. F. Miller, Mrs. F. O. Evans, Mrs. H. R. Greenslade, Mrs. H. W. Corbett and Mrs. J. F. Riley. Recently made welcome was Mrs. C. S. Conley.

Over a year ago it was found that even more quilts were required to supply the needs of Red Cross commitments, and a new group was formed consisting of Mrs. J. Johnson, Mrs. Julia Nicholson, Mrs. J. Anderson, Mrs. A. B. Waterman, Mrs. H. Hall and Mrs. M. W. Forster.

The combined groups can well be proud of their work, turning out an average of 28 quilts a month.

Quilting could be a very monotonous business, a stitch of wool every four inches until finished, quilt removed from the frame, and a fresh quilt set up, an end on and on.

Strangely enough the workers never get tired of choosing suitable colored wool to match the color of the quilt. They know some of the places these colorful quilts are destined to go, for example in some eastern places, Pakistan and Korea for instance, the quilts serve a double purpose: by day they serve to divide a small room into yet smaller rooms, so that several families living in a room can have privacy, at night they are taken down and serve as a warm covering for the children.

MRS. OSCAR ANDERSON Mrs. Anderson is a long way from her native Norway while here in the Okanagan.

After arriving at the east coast of Canada in 1929 she settled first in Manitoba then Saskatchewan, Alberta and finally British Columbia.

GREATEST IMPROVEMENT IN YEARS

GOLDEN LINED VACUUM SEALED CANS

WESTERN CANADA'S LARGEST SELLING EVAPORATED MILK

Persian Gold is the name of this subtle rose and beige on gold print used by Marjoe of Miami for an attractively cool dance frock. The criss-crossed bodice is trimmed with gold fringe, as is the accompanying solid color triangle that can be worn on head, shoulders or at the waist.

Cawston To Sponsor First May Day Queen

Colorful coronation ceremonies will take place in Cawston tomorrow when the elementary school holds its first May Day celebrations.

The school children have elected one of their classmates, Shirley Lusted, daughter of Mr. and Mrs. Alan Lusted, formerly of this city, to reign over the festivities as May Queen. Chosen as attending princesses are Diane Gemmell, daughter of Mr. and Mrs. W. W. Gemmell, and Corolla Spencers, daughter of Mr. and Mrs. D. Spencers.

Many activities have been arranged for the occasion. The royal group will preside over the day with its featured attractions of May pole and folk dancing, marching, tumbling and majorette drills.

The Cawston school grounds will be the setting for the festivities, and Dale Evans, school trustee, will officiate at the crowning ceremonies.

A stiff brush or steel wool and a good scrubbing powder are all that is necessary to clean brickwork.

It was fortunate for Penticton's Red Cross work centre when Mrs. Anderson decided to make her permanent home in this city. Although her official job at the work room is to finish off quilts at the sewing machines, her self imposed task is to piece together oddments of material to make quilt tops at home in her spare time. In the forty years she has been doing this "homework" she has made 70 quilt tops by herself.

MRS. JULIA NICHOLSON Mrs. Nicholson's three year term with the Red Cross has been filled with work and yet more work. During that time apart from her regular work on the sewing machines, she has made innumerable quilt tops, children's garments and knitted clothing in her own home.

At one time when a sewing machine was needed at the centre, Mrs. Nicholson decided to make a hooked rug to raise the money for this enterprise.

First of all she obtained raw sheep fleece, cleaned it, spun it into wool, and finally hooked the rug into a beautiful flower pattern.

An accident last fall impaired Mrs. Nicholson's eyesight to such extent that many another woman would have accepted an honorable discharge, but not "Our Mrs. Nicholson". After her lengthy hospital stay, she continued to do her work at home, and now to the delight of all in back at the centre, this time tying quilts.

United Church Federation Approves Recommendations

The Recipe Corner

BONBONS READY AT A MOMENT'S NOTICE

We're stretching the truth when we say these crispy cereal bonbons can be made in a moment. But they can be made in 6 minutes and that's surely fast enough.

Just a quick combination of three ingredients: marshmallows, oven-popped rice cereal and butter or margarine, is all that's needed. With the result, a sweet, crunchy confection. The recipe can be made into easy-to-serve bonbons as suggested here. Or, if you prefer the mixture can be pressed lightly into buttered pan, then cut in any desired shape.

MARSHMALLOW CRISPY BONBONS

½ cup butter or margarine
½ pound (about 32) marshmallows

5 cups rice krispies

Melt butter in 3-quart saucepan. Add marshmallows and cook over low heat, stirring constantly until marshmallows are melted and mixture is well-blended. Remove from heat. Add rice krispies and stir until well-coated with marshmallow mixture. Drop marshmallow crispy mixture from buttered spoon into waxed paper baking cups. Let stand until hardened. Yield: about 20 bonbons.

Children's Hospital Clinic Visits City

The Penticton Guild to Children's Hospital, Vancouver, provided transportation and refreshments for sixty-eight children who attended the travelling clinic when it was in this city on April 29.

Accompanying the clinic were Dr. R. H. Bruce Reed, orthopedic surgeon, and Dr. Harry Baker, pediatrician. The nursing service was under the supervision of Mrs. M. Manning, of the Crippled Children's Hospital.

Milk for the children was donated by the Royal Dairy, and D. Gillespie donated cookies from Paulin's Biscuit Company.

Giving the home a periodic checkup for accident hazards can help to save dangerous falls or injuries.

All recommendations presented by the executive of the United Church Women's Federation were approved at the monthly meeting of the organization held in the church hall last week with the president, Mrs. J. H. Myers, in the chair.

Mrs. T. F. Parmley conducted the devotional part of the program choosing as her subject "The Christian Citizen".

Mrs. Mildred Jones in a temperance report spoke on the Christian citizen and how to combat the evils of alcohol. It is the duty of all to vote on May 27 in the forthcoming liquor plebiscite, she stated. The United Church recognizes total abstinence as the only way to deal with the problem of alcoholic beverages.

Mrs. Arthur Warren, Mrs. E. W. Unwin and Mrs. H. W. King who attended the WMS branch conference at Burnaby assisted by Mrs. Kenneth Nicholls gave the highlights of the conference in an unique manner. In an imaginary bus trip travelling home from the conference the group told of many interesting details at the recent gathering.

Mrs. L. V. Newton reported that 67 visits had been made to the ill and shut-ins and newcomers by members of the circles during the past month.

Twenty parcels of clothing were sent to Korea last month it was disclosed, and a shower of sewing materials will be held by each circle of the federation with the donations designated for the same destination.

Eight girls from the Explorers' Group under the leadership of Mrs. Harry Smith participated in an affiliation service at the meeting. Following adjournment refreshments were served by the Good Companions Circle of the federation.

Cooking School Will Be Held At Canadian Legion Next Week

Super-Valu stores will hold a cooking school at Canadian Legion hall, Penticton, from May 17 to 21. Afternoon sessions will be held May 18, 19 and 21 from 2 to 4 p.m. and evening sessions will take place May 17 and 20 from 8 to 10 p.m.

Dorothy Rimmer, internationally known foods and cookery expert, will conduct the school. She has a close acquaintance with kitchen problems of homemakers through many years of teaching, research, food writing and radio and television appearances.

Careful testing and retesting of recipes has enabled her to present them in a way that she says "everyone can follow easily and turn out the cooked dishes to look and taste exactly as they are done at the school."

New uses of old foods, quick and easy cooking tips resulting in a saving of time, energy and money are the basis of her teaching.

DOROTHY RIMMER

ing. She believes in reducing shopping trips to the minimum and that economical shopping and proper food storage are the preliminaries to free and easy family life both for Judy O'Grady and the colonel's lady.

Step-by-step procedures with new recipes each day, demonstrating ease of food preparation and serving, will be presented in a homelike, amusing way. Miss Rimmer says, "there are more than one ways to have some fun and so I call this Super-Valu cooking school a fun with food cooking school."

A large part of each day's session is devoted to question and answer sessions. Miss Rimmer suggests that all Penticton homemakers, experienced or otherwise, whether cooking with the most modern gadgets or those from horse and buggy days, can profit from the mutual exchange of cooking tips and presentation of daily kitchen problems that will take place at the school.

Cooked dishes are awarded to the audience each day in addition to 15 bags of groceries. A Westinghouse "Autocrat" toaster will be awarded each day as a contest prize and on Friday a Westinghouse washing machine, through courtesy of Bennett Stores, Penticton, will be awarded.

Members Of Spanish Class Entertained By Kaleden Couple

Students of Spanish in the Department of Extension at the Penticton High School and their instructor, John Letellier, were guests on Friday evening at the home of Mr. and Mrs. George Busch, Kaleden.

Interesting discussions conducted in the Spanish language were followed by the showing of colored slides depicting scenes in both old and modern Mexico. The excellent pictures were taken by the hosts while spending last winter with their children touring in Mexico.

At the conclusion of the very enjoyable social hours refreshments were served to the several present by Mrs. Busch.

The 1902 eruption of Mont Pelée destroyed St. Pierre, Martinique, and caused about 30,000 deaths.

FAGGED OUT due to constipation? Not me!

When it's an effort to keep going at all, there's no chance of getting ahead. Me, I want to go places! That's why I keep on top of my form with Kruschen—just as much as I can heap on a dime dissolved in my breakfast coffee. Since I started the daily Kruschen routine, I've had no more morning sluggishness. Actually I've got more pep all day long. That's because Kruschen not only gives mild, effective laxative action, but it is diuretic too. Try it. You will be amazed how much better you feel!

More Than 300 Attend IODE "Violet Tea"

More than three hundred guests attended the very successful annual "Violet Tea" held May 11 in the Masonic Hall under the auspices of the Diamond Jubilee Chapter, Imperial Order Daughters of the Empire.

The floral theme of the event was interpreted by the artistic employment of spring blooms in varying shades of violet, blending from the delicately tinted tones to the more intense in color. Each table was centered with an arrangement of pastel flowers and small lighted candles in either softly colored green, pink or deep mauve and the main tea table, beautifully appointed in silver, was graced with a floral centre piece of outstanding loveliness. Deep violet colored tapers accented the rich purples and lilac shades of the tulips in the centre ornamentation.

Mrs. Kenneth Davenport, arranged the main table, Mrs. A. J. Cowie, the individual tea tables and Mrs. A. Earl Wells, general convenor of decorations, was in charge of the floral details throughout the tea centre.

Among the many attractions at the popular social event were the sale of homecooking, candy, plants and spring flowers. When the drawing for the mantle radio was made at the conclusion of the tea the winning ticket was held by Wendy Dagg. The food hamper door prize went to Mrs. G. R. Auld.

At the time of the drawing Mrs. Chris Brown, president of St. Saviour's Anglican Church Senior Women's Auxiliary, took the opportunity to have the ticket drawn on the colorful cotton skirt which her organization was raffling to raise charitable funds. Mrs. John Hope held the winning ticket.

The many guests attending the affair were received by Mrs. Nell McElroy, chapter regent, Mrs. R. A. Patterson was general convenor of tea arrangements.

Summerland Shares In Festival Honors

SUMMERLAND — Winners of awards and certificates at the annual Okanagan Valley musical festival, held at Kelowna, are as follows: Reta Greber, pupil of Mrs. C. G. Woodbridge, pianoforte under 15, third with 80 points; Barbara Baker, pupil of Miss Kay Hamilton, 2nd in sight reading under 16; other pupils of Miss Hamilton placed as follows: Barbara Baker and Eugene Bates tied for 1st in duet under 18 class; certificates in duet class under 14, Marlene Bledale and Linda Beeman, Helen Miller and Carol James, sonatina class, Ross Norstrum, Carol James, solo under 12, Johan Bergstrom.

Pupils of Mary Pratten School of the Dance, Barbara Fudge and Lynn Booth, won the Mary Pratten cup for the 2nd year in succession; Diane Haggman, 91 points, one point below the top to win 2nd place in Scottish dancing under 10; certificates in the same class, Elaine Dunsdon, Audrey Beggs, Linda Rumball, Anne McLachlan, Penny Piers, Beverly Bullock, Donna Laidlaw, Darlene Shannon, Linda Bullock; dancing solo under 10, national, Elaine Dunsdon tied for top with 92 marks, certificates, Audrey Beggs, Diane Haggman, Anne Macleod; national, sword dance, under 15, Ginny Braddick; Summerland girls group ballet, open, third place, Barry Jerns, certificate, solo tap under 12, Cheryl Ann McCargar, Scottish, under 7, certificate, Accompanist for Summerland dance entries was Mrs. L. Fudge.

Missionary Leader In Devotional Period At WCTU Meeting Here

Mrs. J. D. Jenkinson, a returned missionary from China, was guest speaker at a very well attended meeting of the Women's Christian Temperance Union held recently in the United Church hall. She also conducted the devotional period of the session during her address on "Our Great Need for Diligence in God's Work in an Atomic Age."

Mrs. A. M. Parker gave a report on work and education among alcoholics in institutions, high schools and universities.

Miss Laura Boggs was appointed to be a delegate to the WCTU convention being held in this city on May 25 and 26.

Among those present were a past president of the organization, Mrs. W. H. Miller, welcomed as a visitor, and Rev. and Mrs. A. C. Pound, of Naramata, who extended greetings from that centre.

The president of the local WCTU, Mrs. Mildred Jones, occupied the chair at the meeting.

Thirty-One WMS Groups Attend.

SUMMERLAND — With active participation by those who came as delegates the meeting of the WMS Okanagan-Kamloops presbytery, held on April 21-22 was considered an especially stimulating gathering for the 74 delegates and other visitors representing 31 WMS organizations. From Kamloops to the border and as far west as Merritt.

Chairman for all the sessions was the president, Mrs. T. F. McWilliams, Kelowna.

On Wednesday afternoon, 15 cars took those attending to the closing exercises of the Naramata Leadership Training School.

Some of the highlights were a splendid book display arranged by the literature secretary which told of the work of the United Church and the United Nations, and were enjoyed and bought; a fine Easter program of script and music presented by five young women from Kelowna; panel discussions of temperance, citizenship, United Nations, world peace and a skit on the UN and Christian missions.

The guest speaker was Miss Mildred Mossop, Vancouver, for some years and presently in charge of all work with the Chinese in Vancouver, who was on the program Thursday evening.

Miss Mossop took a broad outlook as she developed her subject, "Jade, and Polishing Jade". Information as to the great influx of young Chinese men since the government opened the doors to Chinese to bring their wives and families, was eye-opening to the audience. The speaker said that recently, 125 of these boys had come to Canada, from communist countries, and in her opinion church groups must assist them to become adjusted for their own sakes, for the sake of the church and for Canada.

Miss Mossop drew a parallel between Jade, in its original state to the people as they come to Canada, and to beautiful jade treated and skillfully cared for, as she anticipated these new Canadians might become with spiritual thought and work on the part of the church.

Use your carpet sweeper for those quick and small cleanup jobs. If you find the bristles in your sweeper have become soft, they may be stiffened by dipping them in a solution of hot water in which a little baking soda has been dissolved. Dip up and down several times and let dry thoroughly in sun.

Cocoon bread is a wholesome, tasty bar which housewives enjoy making, because it's so easy and everyone enjoys eating, it's so delicious.

Trim crusts from slices of day-old vitamin enriched bread. Cut each slice into three strips and dip them first in sweetened condensed milk, then in shredded coconut. Place on a cookie sheet and toast at 400 deg. F. (moderately hot oven) till coconut is crisp and golden brown.

Use wax paper as a press cloth to restore life to a limp veil.

STANDARD of BRITISH COLUMBIA
presents its finest gasoline achievement

THE World's first detergent-action gasoline

An entirely new kind of motor fuel that ends forever
the biggest single cause of engine troubles

Cleans your carburetor and keeps it clean to step up
power, cut down gas waste, and give you a smoother-
running, quieter engine that doesn't die at stop signs

Yours in both

and

At no increase in prices.

How detergent-action does a repair job on your car

... starting with the first tankful

Your car's carburetor, the "heart" of the engine, mixes air with gasoline to make the engine run. Until now it has had one annoying "heart trouble" no matter what car you drove or what gasoline you used.

Dust and dirt in air
passing through carburetor

Ring of deposits
chokes off air supply

While your motor ran, a ring of deposits built up in the opening through which the air and gasoline flowed. After a few thousand miles, this ring gradually choked off the air supply during idling. Your engine began to die at stop lights and idled roughly.

1 out of 3 repair jobs caused by carburetor troubles

The only solution was to take your car to a repair shop and have the carburetor fixed. That's why carburetor troubles are the greatest single reason for engine repairs.

Then Standard scientists discovered the real cause: Exhaust vapors and crankcase fumes contain tiny bits of soot, gum and dust. They're drawn in with the air your engine needs and stick in the carburetor.

Removes old carburetor deposits... stops new formations with the first tankful

To cure this, we perfected a new kind of motor fuel to guard the heart of your engine—"detergent-action" gasoline—that not only cleans out the carburetor while you drive, but stops formation of new deposits. As long as you use detergent-action Chevron Gasolines you'll be safe from carburetor troubles except those due to mechanical causes.

Proved through millions of test miles

Since last November, detergent-action Chevron Gasolines have been in gas pumps in a number of Western cities. Through millions of test miles, under the toughest driving conditions, they eliminated stalling of warmed-up engines at stop signs, ended jerking and bucking in traffic, gave cars new pep and power, chalked up money-saving gas mileage (one taxi fleet reported savings up to \$1200 monthly). Best of all, you get the gas-saving, trouble-ending, performance-boosting extra advantages of detergent-action without paying a penny more. Get a tankful today.

Detergent-Action Chevron Gasolines available only at

We take better care of your car

Penticton Couple Seeks To Clear Name Of Old West Frontier Marshal

A widely travelled Penticton couple, Mr. and Mrs. Henry Meyerhoff, are combining their latest expedition with fact-finding. Leaving Penticton early in April, the Meyerhoffs have been in New Mexico seeking information on Mrs. Meyerhoff's grandfather, T. I. "Jim" Courtright, famous frontier marshal.

Following article from an Albuquerque, New Mexico, newspaper was received in the Herald office recently:

A 71-year-old New Mexico murder mystery is being revived here with the visit of a Canadian couple to this city.

Mr. and Mrs. Henry Meyerhoff, residents of Penticton in British Columbia, have been in Albuquerque for several days seeking information on Mrs. Meyerhoff's grandfather, T. I. "Jim" Courtright.

Courtright, or "Long Hair Jim" as he was called in the 1880's because he often wore his hair shoulder-length, apparently has only one known blemish on his career as a western peace officer.

In 1883, he and five other men were indicted by an Albuquerque grand jury for the murder of Alexis Grossette and Bob Elsing, partners in a ranch homestead in the Apache Creek area of western Socorro County. The ambush slaying occurred on May, 1883.

Three of the six men accused of the double murder were tried in Albuquerque in October of 1883, but the jurors were unable to reach a verdict after two trials.

Two of the other accused men fled the territory and were never brought to trial. Courtright surrendered voluntarily after escaping twice from arresting officers, but was shot down in 1887 by the gambler Luke Short before he had a chance to stand trial.

The murders of the two homesteaders have never officially been solved, and Mrs. Meyerhoff is hoping to find some clue which may clear her grandfather's name. She and her husband have spent much time in the south-west examining old court records and newspapers and interviewing old-timers.

Several days ago, Mrs. Meyerhoff met and talked with Fred Landon, 628 Walter St., a nephew of Alex Grossette. Thus, after 71 years, the granddaughter of an accused murderer met the nephew of his alleged victim.

Timothy Isalah (Jim) Courtright was considered to be the quickest man on the trigger in Texas and New Mexico in the early 1880's.

While city marshal of Ft. Worth, Tex., Courtright used to practice "shooting" on the backyard of his home. One of his fa-

vorite modes of practice was to throw a tin can into the air and empty his six-shooter into it before it reached the ground.

One time Mrs. Courtright walked into the yard while her husband was practising. He saw her and called: "Turn around, Betty."

Mrs. Courtright turned, and with a lightning-like motion her husband drew his gun and shot and carrying from her ear. There is no record of Mrs. Courtright's reaction to the display of marksmanship.

Mrs. Meyerhoff showed me the mate to the earring which served as the target. It has been passed down to her from her grandmother with the interesting story behind it. The black pendant on the earring is about an inch long — quite a small target.

Little is known about the early life of Courtright, although it is believed he was born in Iowa in about 1840. He served with Union forces in the Civil War under Gen. John A. Logan, and scouted with the famous Wild Bill Hickok.

Mrs. Meyerhoff also showed me the beaded tobacco pouch given to her grandfather by Wild Bill, which was made by an Indian woman from the top of one of Bill's boots. She has an original photograph of Wild Bill, also given by Bill to her grandfather.

Courtright served as city marshal of Ft. Worth from 1876 to 1880, and is remembered there as the most fearless and popular law officer that city ever had. He left that post after getting mixed up in a political squabble.

Courtright came to New Mexico in 1882 at the request of Col. Albert J. Fountain of Mesilla to "clean up" the tough mining town of Lake Valley, now a ghost town 16 miles south of Hillsboro. The fearless marshal and his six-shooters brought law and order to Lake Valley after slightly increasing the size of the local cemetery.

In 1883, Courtright went to work for the big American Valley Ranch near present Gadsden, then in Socorro County, but now in Catron County. The American Valley Ranch was founded in the spring of 1880 by Capt. J. P. Casey, who in July of that year took in W. C. (Bill) Moore as his partner.

The cattle ranch began to expand, causing continued friction with homesteaders and sheepmen in that area. Courtright reportedly was given the job of foreman with special orders to free the big range of "squatters."

Among these homesteaders were Grossette and Elsing, who had a claim at the Gallo Springs. In an "Off the Beaten Path" interview last year, Mr. Landon recalled that his uncle (Grossette) and Elsing refused an offer by the big ranch to buy their claim. Shortly afterward, the men were found on the range. Death has come to Grossette just nine days after his marriage at Socorro.

A grand jury, which was in session in Albuquerque at the time, called in several witnesses and promptly rendered a murder indictment against six officials and employees of the American Valley Ranch.

The indictment named Casey and Moore, the owners; Jim Courtright, foreman; D. L. McAllister, general manager; James McIntyre and Miller Scott.

Equipment For CBC Booster Station Said To Be In Oliver

CAWSTON.—Talk on radio reception, a point that has been before the organization on many previous occasions, was before the quarterly meeting of the Associated Boards of Trade of the Southern Interior on Thursday. It was stated that equipment for the CBC booster station in Oliver is now on hand, and that actual setting-up would come soon. Respecting reception of valley stations, the organization passed a resolution asking federal authorities to increase the power of all valley stations, so that these might be heard, in addition to the CBC boosters.

Teen Towners At Summerland Elect New Mayor

SUMMERLAND — Don Gilbert is Teen Town's new mayor, following Saturday night's election, and just to keep the Gilbert family busy in Teen Town circles, Eitel, the mayor's sister, was made Miss Teen Town to compete in the Miss Summerland elections.

Others in the running were Shirley Burnell, Irene Menu, Leila Lewis, Marie Gronlund and Joan McDonald.

Yvonne Possello is the retiring president, who expects to go to normal school this fall to take teacher-training, and who has been a helpful mayor during the past season when Teen Town has had an active, useful year.

Election night and the track meet dance saw a big crowd at the Youth Centre, with P-TA adult sponsor, Mrs. F. E. Atkinson, acting as master of ceremonies. Judges were Mr. and Mrs. Lorne Perry and Reeve F. E. Atkinson, and Mr. and Mrs. A. Crawford, attended, also.

Elected to the executive were Glen Heavysides, Nela Hava, Marilyn Wade, Nona Lewis, Carol Cornish, Marie Gronlund, Ronnie Lawley, Dwayne Greer, Bill Ward, Tom Campbell, Jack Pohlman, Donnie Mitchell and Larry Crawford.

The Playboys' Orchestra, consisting of Joan MacDonald, Carol Cornish, Jack Pohlman, Larry Crawford, Barry Agur, and Tommy Jomori, supplied dance music with Barbara Baker, Jack Gould, and Eugene Bates, spelling them off now and then.

In 1830, children worked in woolen mills in England for 13 hours daily with a half hour break.

12 YEARS OF GROWER USE PROVE FERMATE

OUTSTANDING FOR SCAB CONTROL

"FERMATE" is outstanding also because it controls more diseases than any other fruit fungicide. Powerful against disease, "FERMATE" is mild on foliage, and does not cause costly chemical russetting that reduces grade and quality. This "powerful yet mild action" produces higher yields of clean, firm apples—with fruit colour that makes number one grade.

MANZATE	Controls 8 Major Tomato Diseases and gives exceptional protection on these crops — potatoes, carrots, onions, celery, grapes and peaches.
PARZATE fungicide	Powerful Yet Safe: PARZATE protects a wide variety of plants against fungus diseases—and won't burn or harm young foliage.
ZERLATE fungicide	For Vegetables and Fruit: ZERLATE effectively controls fungus diseases on vegetables—and on apples, peaches and pears as well. ZERLATE is equally mild on foliage.

DU PONT SPREADER-STICKER
Increases Effectiveness of Spray Mixtures
Sprays containing Spreader-Sticker often adhere more evenly and stay on foliage longer.

Southern Interior Boards Of Trade Seek Further Information On Costs Of Bridge And East-West Side Roads

Although the Southern Interior Associated Boards of Trade had, at its January meeting, fully discussed the question of the suggested bridge over Okanagan lake and had passed a resolution voicing its views on the matter, this problem was again a topic at the quarterly session held in Cawston on Thursday.

Again, as previously, there was opposition to the bridge, as well as support for it as a possible solution to traffic bottlenecks on Highway 97 at the Kelowna-Westbank crossing.

URGES CAUTION

Don Salting, of Naramata, voiced the view that the association should tread softly in the matter, suggesting that the cost of the structure might be so great as to bring about tolls that would be prohibitively high. He said that there were those who said that this fee might be as much as a dollar and quarter per trip.

C. E. Bentley, of Summerland, supported this position, giving the opinion that the cost of construction would be extremely high, and that it appeared doubtful if the cost of maintenance and management of the bridge, including the collection of tolls, could be met from the latter let alone leaving anything for retirement of loans or payment of interest. Mr. Bentley suggested a figure of a million dollars yearly as the possible cost of keeping up the structure and servicing it.

A. J. Cowie, of Penticton, was asked to give the views of the special committee of

the Penticton Board of Trade that he had headed, dealing with the problem. Mr. Cowie said that a notice of motion, that would be voted on at the next session of the Penticton Board, favored the bridge, indicating there are some "strings" attached to this.

"We were told that it would be many years before we could expect to get either the east side road or the west side road but that the government is setting up this toll authority, and that it would be on a first come first served basis. Therefore, as our choice has thus been narrowed down, we agreed to throw the matter right back in the Premier's lap, and leave it up to him." Mr. Cowie invited all present to attend this meeting of the Penticton board, and see the outcome of the motion.

GOVERNMENT STATEMENT

Two letters from Victoria, one from the Honorable P. A. Gagnard, Minister of Public Works, and the other from Premier W. A. C. Bennett, thanked the association for its interest in the matter, these being pursuant to the resolution passed at the January meeting. It was these letters that initiated the discussion and later lead to a resolution from C. Morris, chairman of the Cawston board, and A. Rounds of Naramata, that the association continue its efforts to seek further information on the comparative costs and feasibility of the east, the west highway links and the bridge. This was passed unanimously.

RCMP Officer Addresses P-TA At Summerland

SUMMERLAND — RCMP constable Ted Piers was the informative speaker at Thursday evening's meeting of Summerland P-TA, taking as his subject, "How Law Effects Parents". Indicative of interest in the talk were the number of questions asked and the discussion which followed.

Constable Piers mentioned how bicycles may be ridden, lights on bikes, etc., requirements which every parent and boy or girl should know. He said that children could carry BB guns but that they should keep them in their own back yard.

Mrs. J. Sheeley, Mrs. L. Fudge and Mrs. A. K. Macleod were appointed as a committee to plan the Mary Patten Dance Revue which P-TA is sponsoring again this year. It was decided that proceeds from the evening will be put into general funds.

A. D. Gately was asked to look into the matter of prizes to be presented at graduation to Industrial Arts' students. It is hoped to parallel in value Home Economics' awards as planned by Summerland Women's Institute.

Mrs. J. Martin and Mrs. C. Adams who were delegates to the provincial convention Easter week gave short talks on the over-all picture and will give more details at the next meeting.

Mrs. Greenslade turned over \$25 to the treasury, from the tea committee which she convened this year and thanked her committee and others for help given.

Mr. Gately presented the framed charter which will be hung in the junior-senior high school. Appointed as a nominating committee were F. Gale, Mrs. Frank Downes, and Mrs. C. Reinerson, and W. H. Durick, was elected auditor.

SURVEY HIGHWAY LINK

C. E. Bentley, of Summerland, reported to the Associated Boards of Trade on Thursday that survey crews are now in Summerland, working out details of this link of Highway 97. He indicated the hope that construction of this portion, one of the last remaining links between Penticton and the ferry, might be commenced soon.

NO ONE wants this goat, but someone is stuck with it in the No. 1 RCAF fighter wing at North Luffenham, England. Flying Officer Harry Klen, of Agassiz, B.C., looks at the animal with the same "keep away from my door" expression that all other members of the wing have. The goat is presented to the squadron with the worst accident record each month and the pilot guilty of error becomes the goat's personal valet.

OLIVER

OLIVER — The Air Cadets held a most interesting parents' evening on May 4 in the SOHS when 42 cadets and 35 girls. Cadets took part in the impressive drill display in the gymnasium. The program also included showing of a film "The Memphis Bell" and refreshments served in the cafeteria by the girl cadets.

An interesting talk on the local cadet organization was given by Officer Commanding Harry Green. Subjects studied by the cadets are drill, small arms, internal combustion engines, meteorology, navigation and principles of flight.

The girl cadets study drill and

have just completed a course in St. John's First Aid. All are students at the South Okanagan High School.

The F.O.C. also mentioned the two local cadets, John Bertram and Doug Corbushley, who were selected to go on all expense paid trips arranged by the Royal Canadian Air Force for outstanding cadets throughout Canada.

A. E. Reid, second in command, spoke at length on details of last summer's Cadet Camp at Abbotsford, which was attended by approximately one thousand boys.

J. Armstrong is moving back to Osoyoos. Management of the Oliver Variety Store will be taken over by Robert MacFadden, until recently manager of Stedman's store in Vernon.
